## CAMPAIGN OF CARING 5K RACE

We thank these participants for supporting the Jewish Federation in our first ever Campaign of Caring Virtual Mile/5K. We had supporters join our race from all around Orange County and from as far away as California and even Alaska! Together we raised over \$1000 for our community and traveled over 100 miles. Most importantly, we found a new way to come together as a community proving once again that social distancing can't keep our community apart. It's not too late to donate to our 2020 Campaign of Caring. Join us today at [jewishorangeny.org/donate](http://jewishorangeny.org/donate).
