Fall Happenings:

We are busy setting up educational programs with schools and community organizations throughout Orange County. Contact was made with school leaders from public schools in the county in addition to the Mid Hudson Social Studies Council. We are also working on contact with private schools and Jewish youth programs and schools. This fall we are pleased to announce that, our partner organization, the Holocaust Museum & Center for Tolerance and Education, located at Rockland Community College has opened and is better than ever. They are offering tours and programs for secondary school students, professional development for teachers, as well as programs for upper elementary students. Their grand opening will be Sunday, October 10 from 4-6 pm. For more information go www.holocauststudies.org.

Are you a history buff and/or simply want to learn more about the importance of diversity in our nation? **Please join us on Sunday, November 7 at 2PM** as we sponsor a special community event at Kol Yisrael in Newburgh with guest speaker United States Military Academy at West Point, Dr. David Frey, Professor of History and the Director of the Genocide Studies Center at West Point. He was recently seen on 60 Minutes as the primary expert concerning the story of the Ritchie Boys, the secret U.S. unit that helped the Allies defeat the Nazis. This will be a hybrid event and there is no charge. Look for more information to register for the program both in-person and virtually, next month.

Built in the 1930s, The Johnes Holden Home for Aged Couples, closed over five years ago and was purchased by Phil DeAngelo in mid 2018. "It was a gorgeous building," said DeAngelo. He knew right away that he wanted to purchase the property and also have other tenants. Renovations began in 2019 and the building reopened in September, 2020. Direct questions for this hybrid event or RSVP to director@jewishorangeny.org.
