Evaluation Update Report

Using the form below, please share insights from your grant-funded project(s). This form should take about 15 minutes to complete. This report is completed twice during the grant period. It is due for the first time on October 31, 2024, and is due the second time on July 31, 2025. Each covers information from the launch of the grant to date.

Data from your submission may be used to provide your organization with support and/or in aggregate in public reports. Please DO NOT include personally identifying information of service recipients (i.e., first and last name), or health-related records (i.e., direct copies of clinical case notes).

If you would like to provide more feedback or experience technical issues with the form, please reach out to your point-of-contact at The Center or us at Aging@JewishFederations.org.
