Gender and Coronavirus in Israel: How the Pandemic And Surrounding Issues Are Affecting Women

From health to the economy, security to social protection, the impact of COVID-19 is exacerbated for women and girls simply by virtue of their gender. This webinar will examine how the pandemic is affecting women in Israel.

Monday, May 18 at 1pm EDT. [Register here!](#)

- **Dahlia Bendavid**, Director, Israel & Overseas Department, Greater Miami Jewish Federation
- **Liora Bowers**, Chief Financial and Operating Officer, The Taub Center
- **Michal Gera Margaliot**, Executive Director, The Israel Women's Network
