Dear ,

Please find enclosed Andrew Sever's report following the Home Safety Evaluation of your home. The report includes Andrew's recommendations for minor modifications discussed during the evaluation to allow you to continue living safely and independently in your home. After you have had a chance to review the report, please contact me by phone at 770-677-9376 or email at [ekaplan@jfcs-atlanta.org](mailto:ekaplan@jfcs-atlanta.org) to discuss what you feel are the top priority modifications and how JF&CS can facilitate the installation of these items.

We are thrilled to be able to provide you with this service and look forward to hearing back from you.

Sincerely,

Emily Kaplan, Project Coordinator for Holocaust Survivor Services
