

VOTE YES FOR PROP A

August 25th marks the one-year anniversary of Hurricane Harvey. Harris County's Prop A vote will be pivotal for our resiliency and recovery efforts. In the past 11 months, we've rallied together and made great strides in helping families in our community, restoring our Jewish Institutions, and sustaining our Jewish way of life. Prop A can help us expedite these processes even further.

Flood Resilience Task Force

WHY VOTE YES

Provides the City of Houston with nearly \$2.5 billion in funding for flood mitigation projects

Accelerates our ability to fund studies and solutions for Meyerland's flood issues

Helps us protect our Jewish Institutions and way of life
