4TH

THE BJC PRESENTS A PRIVATE SCREENING OF TZEVA ADOM: COLOR RED | 8:00 P.M. | COMMUNITY ROOM AT THE PHJCC

Join the BJC for an exclusive screening of TZEVA ADOM: COLOR RED, a story that follows the relationship between a female IDF soldier and a young Palestinian boy who form an unlikely friendship motivated through social media in this time when everyone has a camera in their pocket and acts of terrorism have become the norm. This 20 minute award-winning film shares perspectives from both sides of the border and ultimately presents a message of peace, tolerance, hope and responsible communication within the conflict. A question & answer session with film producer and Baltimore native Todd Felderstein will follow.

7TH

14TH LAVY COLLOQUIUM-ISRAEL UNDER NETANYAHU | 9:00 A.M. - 5:00 P.M. | THE SMOKLER CENTER FOR JEWISH LIFE AT JOHNS HOPKINS

Join the Leonard and Helen R. Stulman Program in Jewish Studies for the 14th Lavy Colloquium. The colloquium will analyze Israeli domestic politics and foreign policy during the period in which Benjamin Netanyahu has served as Israel's Prime Minister. The one day symposium will bring together scholars from Israel and the United States and will discuss Israel's political parties, its economy, and its relations with the United States, Iran, Turkey, the Palestinians, the Arab World, India, China and the American Jewish Community.

12TH

**JEWISH NATIONAL FUND BREAKFAST FOR ISRAEL IN
BALTIMORE FEATURING ARI SACHER | 7:30 A.M. - 9:00
A.M. | TEMPLE OHEB SHALOM**

Join JNF for their annual breakfast celebrating Israel at 70 with renowned speaker Ari Sacher. Ari is the primary engineer responsible for the creation of the Iron Dome, and consequently saving countless Israeli lives, Ari Sacher has over 20 years of experience in missile design and development. He has briefed hundreds of U.S. Congressmen on Israeli missile defense at the invitation of the House Majority Leader. In light of the recent increase in attacks surrounding the Gaza Envelope, a key region where Jewish National Fund develops affordable and safe housing for Israelis, Sacher’s speech will provide insight into the complex rocket science behind Israel’s defense capabilities.
