Sarah Mersky Named Outstanding Jewish Communal Professional of the Year

Mazel Tov to the BJC’s Deputy Director, Sarah Mersky, who will be honored this month by the Darrell D. Friedman Institute for Professional Development as the Jewish Communal Professional of the Year. This award recognizes mid-level career professionals currently serving the greater Baltimore Jewish community who have been in the field of Jewish communal service for at least four years but no more than ten. As all of us at the BJC already know, Sarah has firmly established herself as a committed and effective advocate on behalf of our Jewish community, and passionately fights for Jewish community interests and broader social justice concerns at the local, state and federal levels. Sarah will receive her award, as well as a $1,250 grant to subsidize professional development opportunities, at DFI’s annual Celebration of Professional Leadership.

Another Successful Legislative Session Wraps Up
This past session the BJC legislative team was hard at work in Annapolis advocating on behalf of the Baltimore Jewish Community. Pictured above are Sarah Mersky and Matt Peterson, alongside Rob Lattin of the Anti Defamation League, as HB 240 is signed into law by Gov. Hogan. HB 240 was just one of many bills we worked on this year, and we invite you to check out our comprehensive memo which reviews the outcome of many bills and budget items of interest.
