LDP CLASS OF 2016-2017 (5777)

We welcome the Leadership Development Program (LDP) Class of 2016-2017. The group will begin their programming this month with an introductory meeting to discuss "What is Jewish Leadership?" The group consists of 16 young professionals who span the political and religious spectrum, adding diversity to each month's learning session. This year's class is co-chaired by Marjorie Manne, Assistant Treasurer of the BJC Executive Committee and Kevin Loeb, LDP Alumnus. We look forward to meeting the new class!

Council Matters

NOVEMBER 2016

Welcome Adrienne Potter Yoe

We would like to welcome the newest addition to the BJC team - Adrienne Potter Yoe! Adrienne will serve as Director of Israel and Jewish Advocacy, working to deepen education and commitment around Israel and Israel related issues within Baltimore's Jewish community. She will also be staffing the Leadership Development Program with co-chairs Marjorie Manne and Kevin Loeb.

Interfaith Trialogue Series

This month, the interfaith trialogue series for 2016-2017 will launch! This new and improved format allows Jewish, Christian and Muslim community members to participate in a trialogue at a mosque, JCC and church throughout the year. Each event will include a tour of the location and information about its congregants, followed by an interactive dialogue led by Rabbi Jessy Gross, Imam Tariq najee-Ullah and Pastor Jim Hamilton. The events will end with a call to action and opportunities to get involved in social justice efforts at each location. Please join us on November 20th at the Muslim Community Center from 2:00 - 4:00 p.m. for the launch of the new series. Donations of canned goods welcome as an addition to the Center's food pantry.

Elijah Cummings Youth Program

Calling all community members! The Elijah Cummings Youth Program in Israel (ECYP) is looking for local organizations (schools, synagogues, clubs, etc.) to host presentations by ECYP Fellows on their experience in the program, their trip to Israel and any lessons learned they can pass on to others. If you are interested in hosting a Fellow for this presentation or would like more information, please contact ECYP Director Kathleen St. Villier at (410) 542-4850 or kstvillier@ecyp.org. We look forward to hearing from you!
