## HONOREE

### Congressman Elijah E. Cummings, ECYP's Founder

For 20 years, The Elijah Cummings Youth Program (ECYP) has transformed the lives of over 200 young people of the 7th Congressional District. Through their interaction with elected officials, community leaders and policy experts throughout the Baltimore Washington region and travel to Israel, ECYP fellows are immersed in unprecedented opportunities to experience other cultures and develop into confident leaders and ambassadors of peace and social justice.

We invite area corporations, foundations and individuals to support the success of ECYP and contribute to its impressive accomplishments and bright future as we continue to develop the next generation of leaders who are ready to change our communities and the world.
