## Walk Against Hate October 10, 2021

ADL Texoma invites the community to get involved and walk with us to take a stand against hate in all its forms, celebrate our differences, and share the belief that injustice for one group is injustice for all.

As its slogan "Fighting Hate for Good" suggests, the Anti-Defamation League is a global anti-hate organization, which offers anti-bias and anti-bullying education programs.

The ADL began nationally in 1913, and started its Dallas branch in 1965.
