The Jewish Journey of a Nazi’s Son

A remarkable story with a remarkable message – that sums up an evening with Dr. Bernd Wollschaleger, enjoyed by close to 400 guests on October 22. This is his very personal narrative of coming to terms with the realization that his father was a decorated and prominent Nazi, and his subsequent embrace of emigration and conversion to Jewish life.

Preceded and introduced by historian Dr. David Berossi, Calgary Jewish Federation President and CEO, this special event was the centerpiece of this fundraising event for the Holocaust and Human Rights Education Department of Calgary Jewish Federation.

Mark likes to do his homework in the JCC’s “comfy chairs” until his parents get home from work. Yair and his family keep kosher, so they treat themselves to lunch or dinner at the café, knowing it’s supervised to a high standard. Bella enjoys the monthly seniors lunches in the auditorium, and thinks it’s fun to ride in the JCC’s school bus on field trips to the zoo or Heritage Park. Andrea hangs out in the Youth Lounge and looks forward to BBYO programs, particularly when the regional conferences are in Calgary. Esther comes to the JCC for cultural events like Yom HaAtzmaut or interesting speakers sponsored by Federation. Brady loves to start his Fridays off work by bringing his daughter to the JCC for Shabbat Time in the lobby.

The Calgary JCC is truly a hub of activity in Jewish Calgary. Your gift to Federation’s annual UJA campaign helps operate our “community living room” and cultural, Israeli, youth, and seniors programs that keep the JCC buzzing with life. At our community’s JCC, as in all of Jewish Calgary, everyone counts. You can help keep it that way by making a gift that counts.

At Akiva Academy, we are so grateful for the community support that we receive through Federation and the UJA campaign. Whether it is the funding and management of the Integrated Bursary Program, community advice and guidance, or the support of our unique programs to support education for students from a wide variety of backgrounds and learning styles, we feel very fortunate and privileged to be able to partner with the dedicated professionals, lay leaders, and volunteers from Federation. This partnership has truly helped Akiva remain focused on what matters most – providing the best secular, Hebrew and Judaic education that is accessible to all Jewish children in our community.
