The strength of a people.
The power of community.

UJA
2023

Calgary Jewish Federation has been providing support in every type of Jewish moment - in times of crisis and in times of calm, we are building community and changing lives.

We are there the moment a child enters Jewish preschool and the moment they learn their first Hebrew song. We are there, on a high school campus, the moment a student uses their voice to advocate against antisemitism. And we are there the moment a Holocaust survivor shares their story.

Because of compassionate donors like you, we're there for all of life's most important moments.

Your support is vital. Without it, we could not continue to be there, day in and day out, ensuring moments that are not only life-changing but life-saving. Your donation enables us to continue building, strengthening, and protecting our Jewish community.

Your UJA gift helps to create lasting moments for new generations, and helps us tackle the issues facing our 21st century Jewish world. In this, and every moment.

It's Moments Like This.

When they feel proud.

Engagement through schools, camp,
JCC, and PJ Library® foster Jewish
identity and a love of our community.

When they feel connected.

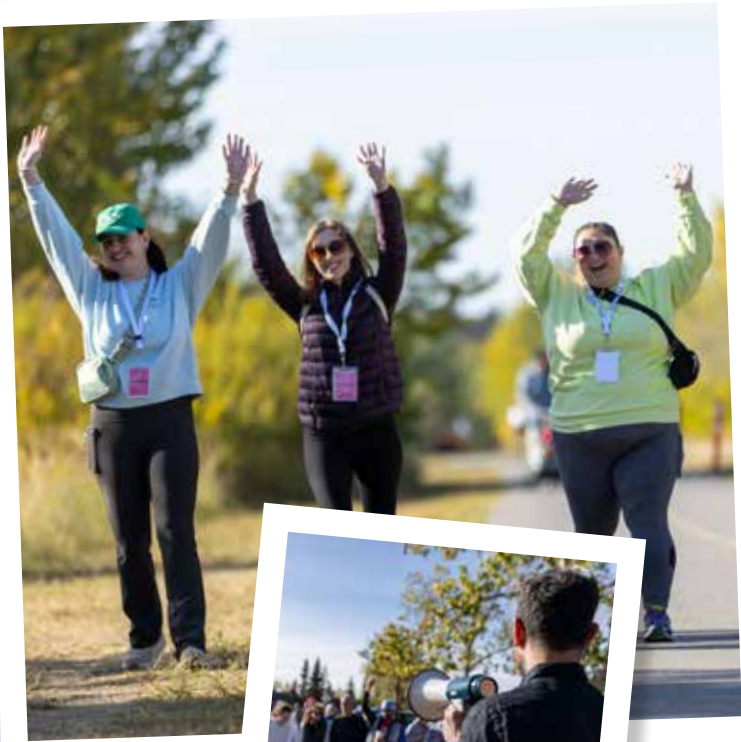

Ensuring engagement well into adulthood is critical to the strength and longevity of our community.

When everyone feels
part of our community.

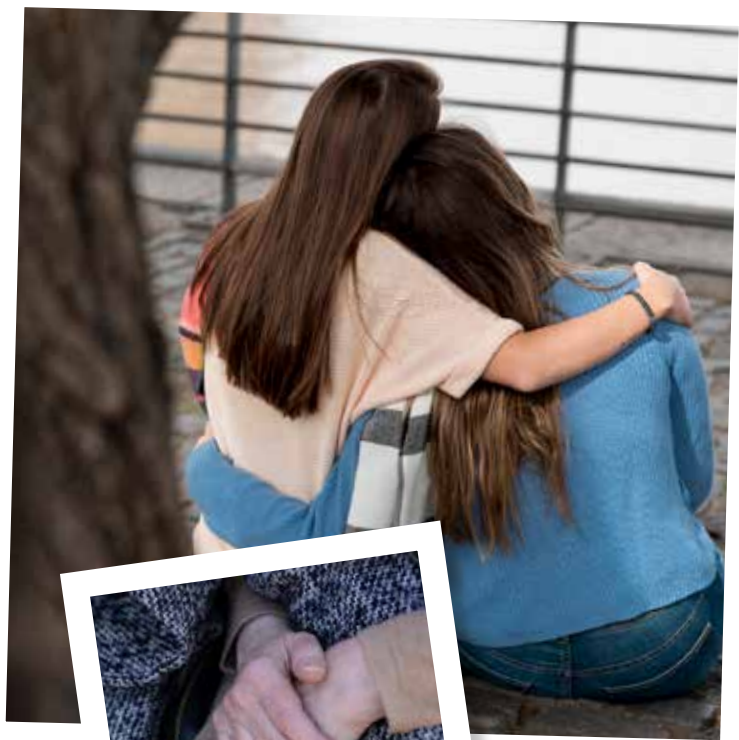

Jewish Calgary welcomes, accepts, and
celebrates everyone. From helping individuals
with disabilities to ensuring events, programs,
and services are accessible for all.

When they can raise
their voices against hate.

We ensure our strength and security by
advocating for Israel, building bridges,
fighting antisemitism, and providing
community security infrastructure.

When they can participate in Jewish
life without financial barriers.

Jewish Calgary provides free events,
programs, and services so everyone
can be a part of the community.
