UJA

Together we **lead**, **secure**, **celebrate**, and **connect** – shaping a vibrant Jewish future for Calgary and beyond.

We lead with vision, investing in the next generation of Jewish leaders. We secure our community – protecting what matters, standing against antisemitism, and safeguarding our values. We celebrate with pride, embracing our heritage through acts of Jewish joy and resilience. And we connect – to each other, to Israel, and to Jewish communities around the world.

Every gift you give is a promise: to care for the vulnerable, to nurture identity, and to ensure our people not only endure, but thrive.

What we build today becomes the Jewish Calgary of tomorrow.

LEAD

Together we lead with strength, vision, and compassion—guiding our community through times of uncertainty, empowering leaders of all ages, and standing up proudly for Jewish values.

We are united by a shared purpose and work to protect what matters most: the safety, dignity, and future of our community. We support those in need, foster meaningful Jewish connections across generations, confront rising antisemitism, and strengthen Jewish life in Calgary and around the world.

SECURE

Together we secure our people and uphold our values—standing against hate and building inclusive spaces where everyone feels safe and welcome.

We make strategic investments in community security and build strong partnerships with law enforcement to ensure our institutions remain resilient and welcoming. Through education, advocacy, and action, we combat antisemitism and stand as a trusted source of safety for every Jewish Calgarian.

CELEBRATE

Together we celebrate Jewish life through learning, tradition, and shared moments of joy.

We honour Jewish traditions and milestones through engaging programs—strengthening pride, identity, and intergenerational connection. From holidays to music, food, and stories, we bring our community together to share in the richness of Jewish life at every stage.

CONNECT

Together we connect with Israel and Jewish communities around the world, offering support, standing in solidarity, and turning unity into action.

We create a sense of belonging for Jews within our community—and an important connection to Israel—through partnerships, mutual support, and engaging programs. By strengthening these bonds, we deepen our shared heritage, promote unity, and build a vibrant, inclusive Jewish Calgary together.
