

Holocaust Education Trunk

Education Trunks were developed to assist in your teaching. Illinois State Code mandates teaching of the Holocaust at elementary and secondary levels, usually done in 5th, 8th, and 10th grades.

The resources you choose will provide you with a ready-to-use unit that is grade-appropriate and relevant to all learning styles.

We have assembled materials that reflect varying levels of readability. You can select from a variety of print, audiovisual, and electronic resources in the following categories:

- Teacher Reference Books
- Lesson Plans
- Student References
- Non-fiction - Classroom Sets
- Fiction - Classroom Sets
- Picture Books
- Poetry
- Scripts for Plays
- Videos and DVDs
- CD-ROMs
- Posters
- Artifact Kits

The CUJF Holocaust Education Committee will be glad to assist you as you determine which materials are most appropriate. Ask us about our in-service programs on creating Holocaust units. Contact us at 217-367-9872 or cujf@shalomcu.org

The following resources provide a sampling of what is available for you to select from. Links to other resources can be found at the CUJF Holocaust Education Center's [webpage](#).
