

Holocaust Education Center SCHOLARSHIPS AVAILABLE

The Holocaust Education Center of Champaign Urbana Jewish Federation proudly sponsors educators to attend professional development sessions in an effort to inform their current practice teaching the Holocaust and contemporary genocide.

Currently, the United States Holocaust Memorial Museum is accepting applications for the summer 2020 Belfer National Conferences for Educators held at the museum in Washington, D.C. These sessions fill up quickly so please read the information at the following websites and consider applying. They, too, offer scholarships, so please also apply for those funds. CUJF will reimburse educators up to \$600 for this three-day event.

2020 Arthur and Rochelle Belfer National Conferences for Educators
