

Become A Corporate Sponsor

CHARLESTON JEWISH FEDERATION

Charleston Jewish Federation's mission is to build and sustain Jewish life in greater Charleston, Israel, and around the world. CJF works through collaborations with local and international partners to cultivate Jewish life and Jewish education; support Jewish people in Israel and in 70 countries worldwide; care for vulnerable populations across the Lowcountry and all over the world, wherever there is need; and empower the next generation through engagement and leadership development.

The Charleston Jewish Federation and its corporate sponsors are making a tangible difference in the lives of people in our community – people who are your clients and customers. As a CJF corporate sponsor, your company will be recognized for its support, commitment, and investment in building and maintaining a strong and vibrant Jewish community. In addition, it will provide your company with direct exposure to the community.
