# INVERTING THE TRUTH: RECOGNIZING MEDIA BIAS AGAINST ISRAEL

**WEDNESDAY  
MARCH 13, 2019  
7:00 PM**

Temple Shalom  
4630 Pine Ridge Rd., Naples

PRESENTED BY

**SARIT CATZ**

CAMERA International Letter-writing Director

Think the media are biased? If you answered yes, you're not alone!  
And news about Israel can be particularly distorted and unfair.

How can you recognize the truth versus misinformation,  
inaccuracies, and bias?

Join Sarit Catz to learn how to identify media bias about Israel and  
to recognize how and why the media continually get the news  
backwards, inverting who did what to whom. "I don't believe  
there's a journalistic conspiracy to denigrate Israel," said Catz. "But  
coverage does frequently suffer from a number of serious problems  
that CAMERA's staff and letter writers seek to fix and prevent."

CAMERA is the oldest and largest Middle East media monitoring  
organization in the world.
