WHO WE ARE

The Lions of Judah are the most dynamic philanthropic Jewish women in the world. We are strong women of all ages, an international sisterhood of thousands of global activists who care deeply about the Jewish future.

The Lion of Judah is a symbol of today's Jewish woman's strength, her caring about the organized Jewish world and her financial commitment to the Jewish Federation of Greater Naples' Annual Campaign. Judah, one of the sons of our patriarch Jacob, was known for taking care of his brothers, symbolizing our need for Jews to take care of other Jews.

Originating in Miami, Florida, in 1972, the Lion of Judah pin was established as a symbol of a woman's commitment to the worldwide Jewish community, wherever Jews live, wherever Jews are in need. The numbers grew from 16 Lions in that first year to almost 17,500 strong today!

WHAT WE DO

Lions of Judah play a vital role in creating social justice, aiding the vulnerable, preserving human dignity and building Jewish identity.

The Lions of Judah set an exemplary standard of leadership and giving. We demonstrate our dedication to the Jewish community by contributing our time and resources. Each woman makes a minimum annual commitment of \$5,000 to the Jewish Federation of Greater Naples.

LION OF JUDAH CONFERENCE

Every two years, Lions throughout the world gather for three phenomenal days of extraordinary learning, sharing and celebration. We inspire one another and hear from the world's leading speakers in the fields of religion, culture, art, business and politics.

THE PIN

Each woman who wears her Lion of Judah pin is uniquely connected to all other Lions, all of whom embody the true meaning of tzedakah. These women are empowered to take the dream of Tikkun Olam and turn it into a reality.

A beautiful gold pin is available for purchase. Each year a woman sustains or increases her gift, she is eligible to have a diamond set into the pin.
