

Help make this a sweet New Year and all Year!

Rosh Hashanah 2018/5779

With the beginning of this New Year, we promise to continue to respond to those in need. Your generous gift to the Federation's Annual Community Campaign will help the Jewish Federation of Greater Naples provide for our Jewish community's needs now and in the months ahead. This is our promise and appeal to you!

Jewish Federation of Greater Naples

offers grants to our community synagogues for religious enrichment for all ages. The Federation provides partial scholarships to our youth to attend Jewish summer camps and the Israel experience for teens. We support the Birthright Israel initiative and provide funding for Hillel on our college campuses, support the BBYO Naples youth group for all of our Jewish teens. We assisted in the founding – and continue to support – The Holocaust Museum & The Janet G. and Harvey D. Cohen Education Center. Federation supports mental health and social services provided by Naples Senior Center at JFCS. We also provide funding for the Jewish Congregation of Marco Island Jewish Film Festival and Cultural Series, Naples Film Festival, Jewish Book Festival, and Celebrate Israel.

Our Jewish Community Relations Council and Israel Advocacy Committees play important roles, advocating for and the education of the Jewish and at-large communities; as do the interfaith activities of the Catholic-Jewish Dialogue... and much more. More information at www.jewishnaples.org.

Israel and Overseas

Your support of the Jewish Federation's Annual Community Campaign fulfills the ethical responsibility to ensure the welfare of all Jews, wherever they are. Campaign dollars are allocated to the core funding needs of our overseas partners, JDC, Jewish Agency for Israel and World ORT. We also provide supplemental grants for special projects in Israel, like the shelter for abused children at Neve Michael, Yad LaKashish Lifeline for the Old, Sapir Community Center for new immigrants, Ethiopian National Project, S.P.A.C.E. Program, Preschool at the Progressive Reform Synagogue in Kiev, Ukraine...and so much more.

IT ALL STARTS WITH YOU!
You make everything we do - possible.
