

WCA COUPLES GROUP

The WCA couples group offers a variety of activities for couples. To receive information about all of the special programs designed for couples, you **MUST** sign up to be part of the WCA Couples Group. A broad range of activities is being planned, such as brunches, dinners, theater parties, and a mystery event. New members to the group are invited to a “Newcomer Potluck Dinner” that has become an annual event.

To be part of the WCA Couples Group, send an email to Phyllis Strome couples@strome.org

In addition to the activities planned specifically for the WCA Couples Group, there are other WCA activities that couples enjoy. You must sign up to be part of the mailing list of each group to receive information.

Don't miss out on all the WCA Couples fun!
