

Meet With a Holocaust Survivor

We are inviting all Holocaust Survivors and all students from our community in grades 6-12 to participate in this important program.

We will pair students up with a Holocaust Survivor. Students will have the chance to meet, interview and get to know and learn from a Holocaust Survivor during all of these specific Sundays from 9:30-11:30 am at Temple Shalom:

Sunday, February 4

Sunday, February 25

Sunday, March 25

On Sunday, April 8, during the community wide Yom HaShoah Observance, the students and Holocaust Survivors will come together. The students will give a summary on their "Meet a Holocaust Survivor" Program.

We are asking all students (grades 6-12) **and** Holocaust Survivors to respond by Friday, December 29 so we can match you up for this wonderful "Meet a Holocaust Survivor" Program. Please make sure you can attend all four of the dates listed above. Parental consent is necessary since we will be videotaping this experience.
