ABOUT THE TRAINING SEMINAR

The Peer Leadership Fellows National Training Seminar is the premier immersive relational engagement and skill building experience, connecting Fellows and communities from throughout the country. Established in 2018 in Boston, the Seminar sets a strong foundation for the year-long Fellowship and empowers Fellows to identify their personal and collective “why” and core values and introduces the Hillel International relational engagement methodology through interactive learning and training experiences. *(Basically, it's like camp meets an AP class in one epic weekend experience.)*

ABOUT THE HOST COMMUNITY

4Front is the Baltimore Jewish community's comprehensive teen initiative. Based on four pillars – advocate, innovate, educate, and collaborate, 4Front serves as a gathering place and open channel for Baltimore's Jewish teens and the adults who care about them. Here, teens are encouraged to explore Jewish identity in ways that are meaningful to them. Learn more about 4Front at <http://4frontbaltimore.org>. Seminar programming will be taking place at the Owings Mills JCC.

ACCOMODATIONS & STAFFING

Fellows will be staying at a nearby hotel for Shabbat and at the JCC on Saturday night. Arrangements will be made for Fellows who are Shabbat observant. The Seminar will be staffed by Teen Initiative professionals from each represented Cohort. Both Rachel Kest and Diana Tubman, the Youth Engagement Program Director, will be traveling with our Fellows and will be present (along with staff from other cities) throughout the weekend.

COST

This training and leadership experience (including housing, transportation and food) is being offered at no additional charge. It is part of your work and the investment that the Greater Rochester Jewish community is making in you! We do suggest that Fellows bring a small amount of spending money for airport food/beverages on Friday and Sunday.

ADDITIONAL INFORMATION

As we get closer to the weekend, we will be in touch with additional information such as packing lists, more travel details, etc. If you have any questions, please contact Rachel Kest at rkest@jewishrochester.org. We are very excited for this upcoming opportunity and look forward to being in touch!
