

2026 ANNUAL CAMPAIGN
SUPPLEMENTAL GIVING

Greensboro
Jewish Federation

Together,
we go *Forward*

ENGAGING FUTURE LEADERS

Your generosity helps young leaders connect, learn, and lead our community forward.

YOUTH EXPERIENCE GRANTS

Through youth experiences, overnight camps, and Israel grants, we invest in future leaders by providing immersive experiences that strengthen Jewish identity.

RELATIONSHIP BUILDING

Through affinity programming (e.g., women's philanthropy, young professionals, and industry groups – lawyers, doctors, business) and conference stipends, we help individuals build relationships that encourage deeper involvement in our community.

MISSION EXPERIENCES

Through overseas and domestic missions, we create opportunities to explore Jewish communities worldwide, build relationships, and deepen connections to the Jewish people.

Recent Federation Missions include:

- Interfaith Mission to Israel
- Hurricane Helene Relief Mission
- DC Advocacy Mission
- Israel Solidarity Mission
- G-FLI Mission to Mexico City
- Study Mission to Berlin

By supporting initiatives and experiences that strengthen Jewish identity and deepen connections to community, **you are investing in the future of the Greensboro Jewish community.**
