

Foundation *Insider*

Dear Friends,

In 2017, it was my pleasure to introduce you to our hard working staff. It is with great excitement that I am happy to introduce to you our newest addition...

Jessica Wisniewski.

Jessica's position is Foundation Manager of Finance and Operations. She began working January 22, 2018, and will be here on Mondays, Wednesdays and Fridays. She comes to us with accounting and client relations experience and is a member of the Jewish community.

Jessica graduated from Penn State University with a degree in Hospitality Management. She obtained an MBA in Accounting and graduated in May 2012 from Saint Joseph's University in Philadelphia. Jessica moved with her husband Gregg and daughter Emma to Greensboro in January 2013. From September 2015 until June 2016, Jessica worked at B'nai Shalom Day School as the Interim Business Manager. Since then, she has been involved in volunteer work and has enjoyed spending time with her two children, Emma (5) and Olivia (almost 4). Jessica also started in the Federation GFLI program this fall. Please join me in welcoming Jessica.

And I'd like to remind those who did not attend our amazing event late October, copies of our newly edited Book of Life are available for your reading pleasure. Personally, I never tire of reading the stories our friends have generously shared. Each one is a true inspiration for us all.
