

# A Dollar A DAY

Ensuring the support that our community needs

The Women's Philanthropy United event has celebrated the power of women over the last two decades! This is your opportunity to come together as Jewish women and engage, invest, enrich, and ensure vibrant Jewish life in Nevada, Israel, and around the world.

**Becoming a United Woman is easy as a dollar a day, but you may be wondering where those dollars go and how they impact our community.**

**Outside of the daily mitzvah of symbolically giving a dollar a day, your gift of \$365 goes to support:**

- Creating vibrant Jewish life in Nevada, Israel, and around the globe
- Taking care of Jews in need, wherever Jews are in places like Ukraine
- Ensuring that local Holocaust survivors have the resources and support that they need
- Funding Jewish summer camp scholarships
- Funding Jewish day school scholarships and programs to ensure a bright Jewish future
- Supporting Hillel programming across the state to help keep Jewish college students "doing Jewish" and build a strong ally community
- Providing safety and security resources and training statewide to synagogues, day schools, and other religious institutions
- and so much more!

**Additionally, all women who commit to this giving level will receive an exclusive Dee Berkley Jewelry bracelet as a symbol of their commitment to the Jewish people at our United Luncheon.**
