### ABOUT CAMP SHALOM

Camp Shalom, a program of the Jewish Federation of Madison, is an inclusive summer day camp for children and teens, guided by Jewish values, that fosters personal development, friendship, and community. Led by experienced and nurturing staff on over 154 picturesque acres in Verona, campers of all faiths, ethnicities, and abilities safely play and learn through a variety of engaging and innovative activities, including aquatic, sports, arts and crafts, nature, Jewish enrichment, and team building.

Camp Shalom was established in 1954 and is the oldest and largest day camp in Dane County, serving over 1000 children throughout the summer. Our scholarship fund ensures we have never had to deny a child a summer camp experience because of financial need.

My favorite thing about camp is seeing campers so excited when they get off the bus in the morning and absolutely exhausted when they get back on the bus because of how much fun they had! I am so excited to see old campers and share the magic of camp with all the new campers!

### WORKING AT CAMP SHALOM

Camp Shalom (K-5th grade) and Camp Shalom Noar-Bogrim (6th-9th grade) look for counselors and administrative staff every summer. We look to hire enthusiastic, creative, and active counselors who are comfortable with the outdoors. Available positions include counselors, unit heads, art & nature specialists, lifeguards, and various leadership roles.

Counselors typically work in groups with 12-16 campers and 3-4 counselors. They plan and lead a variety of engaging activities, work to build a strong sense of community among campers, and maintain a physically, emotionally, and socially safe camp environment for all.
