

# Camp Shalom Noar-Bogrim

Session 2, Week 3

## Director's Note:

Hello NOBO Families! It's so hard to believe that we are in our final week of the summer! We had a really fun week two—all grades had an opportunity to try log rolling and boating/paddle boarding this week and our NOBO Superhero Maccabiah was a LOT of fun! There have been some Devil's Lake and Governor Dodge trips as well. Back at camp we've had a lot of dressing up going on—80s week, Hollywood week...we have a lot of performance-ready campers here this session, and it's been so fun to see them having fun slipping into costumes, characters and old fashion/make-up styles. Friday was DJ day and they worked on their beat-boxing skills during Campativity. We actually have some pretty talented musicians here!

On our last day of camp we will be on a slightly different schedule, with off-site trips leaving at 9:30 and returning a bit before 2:00 in time for our end of camp slide-show. We will follow this up with our end of 9th grade pool tradition and then Shabbat. For 9th graders, we have a tradition of that group jumping into the pool together in their clothes on that last afternoon. It's completely optional for campers. Campers who want to participate should have extra clothes with them and should consider how what they wear into the pool will stand up to being wet.

We have very much enjoyed working with all of our NOBO campers this summer—they are a great group and we hope they've had a great time with us. We hope to see all of our 6th-8th graders back with us again next summer. For our 9th graders, we wish them the best as they move forward and hope that many will apply to be CIT's at Camp Shalom next year. Who knows? Maybe they even have a NOBO job in their future!

L'Shalom--

Lisa
