**Due no later than February 15, 2021**

The B'nai Tzedek Teen Philanthropy Board is entrusted with \$10,000 to grant to organizations in the Memphis Jewish community. These teens are responsible for all aspects of the granting process, from reviewing and evaluating of each proposal, to the presenting of grant awards. The group includes all profiles of Jewish engagement; it is trans-denominational and brings together teens who have a range of experiences and backgrounds.

The granting process is an opportunity for Memphis Jewish teens to see a wide variety of activities that take place in our community. The teens who participate in this program are committed to the principals of B'nai Tzedek, Tzedekah, and strengthening the Memphis Jewish community.

Each agency may submit up to 3 grant requests. If applying for more than one grant, please submit separate applications for each one.
