

PIRKE AVOT:

Ethical Jewish Reflections on how we live our lives.

Facilitated by **Rabbi Hesch Sommer**, Director,
Jewish Family Services' Wellness and Healing Center

Class Description: The Chapters of Our Ancestors is a section of the Mishnah (first part of the Talmud) which offers ethical insights from the key teachers and rabbinic authorities between 200 BCE and 100 CE. These powerful aphorisms transcend time in offering to us a moral compass for our present day experiences. Monthly, we will have a chance to explore this text through lively discussions.
