**Description:** Our swim team is designed for swimmers who are ready to elevate their skills to the next level. Participants will learn all four strokes, perfect their flip turns and dives, and boost their endurance along the way. Our coaching aims to refine technique, speed, and mental readiness for competition, building a foundation for success in and out of the pool.

## ABOUT AQUATICS

**SWIM WITH ME:** Designed to meet the needs of infants and toddlers 6-36 months. Explore water, body awareness, coordination and safety through games, songs and repetition. Instructors will train parents on how to teach their children how to swim so participants can practice outside of class! Children must wear swim diapers.

**Parent/Adult accompaniment required.**

**NEW BUBBLE WITH ME:** Designed for younger swimmers trying to go from Swim With Me to Bubblers. Parents will be in the water initially, but the goal is to promote independence. The class helps children gain confidence in the water and prepares them for a smooth transition to the Bubblers program. Parent/Adult accompaniment required at first.

**BUBBLERS:** For first-time swimmers who are ready to work independently. Swim-readiness activities such as blowing bubbles, putting face in water, floating, kicking and proper arm motion. Swimmers under the age of 3 require an evaluation. **No parent participation.**

**STARFISH:** For children comfortable putting their face in and exploring the water. Participants will learn freestyle and backstroke to become independent. Must be able to swim for at least ten feet to move into Minnows.

**MINNOWS:** Independent swimmers who can swim 10'. Students learn how to rotary breath in freestyle and swim longer distances. We teach swimmers how to be more confident in backstroke and breaststroke. Diving is also introduced in this class. **New to our program: must email [swim@jccnh.org](mailto:swim@jccnh.org) for an evaluation.**

**DOLPHINS:** Independent swimmers who can swim 10'. Students learn how to rotary breath in freestyle and swim longer distances. We teach swimmers how to be more confident in backstroke and breaststroke. Diving is also introduced in this class. **New to our program: must email [swim@jccnh.org](mailto:swim@jccnh.org) for an evaluation.**

**BEGINNER ADULT GROUP:** This class is designed to build on basic skills to help participants feel more comfortable in the water. Students will work on how to swim independently in freestyle, breaststroke, and backstroke. Ages 15+.

**INTERMEDIATE ADULTS GROUP:** Intermediate group swim lessons is designed for an individual that would like to work on breathing and stroke technique. Ages 15+.

# ABOUT CHILDREN & YOUTH

**NEW PRESCHOOL LITTLE TUMBLE & MOVE:** This is a joyful movement enrichment class in which preschoolers will explore the magic of movement through tumbling, stretching, dancing, and playful coordination activities. Each session promotes physical confidence, balance, and gross motor development in a fun and nurturing environment.

**NEW PRESCHOOL CURIOSITY CREW:** In Curiosity Crew, preschoolers will dig into the wonders of science, technology, engineering, and math through hands-on, sensory-rich activities that spark curiosity and creativity! Each class is an exciting adventure where little learners mix, build, pour, squish, and explore the world around them—one messy experiment at a time.

**NEW PRESCHOOL MINI TRACK AND FIELD:** In Mini Track and Field, preschoolers will experience the excitement of track and field events in a fun, supportive environment! Each week, children will be introduced to a new track and field event, from sprints and long runs to relay races, long jumps, and even discus and javelin throws. Kids will also explore the thrill of hurdles and shot put, with each lesson designed to help them develop coordination, strength, and confidence.

**NEW PRESCHOOL INSPIRING ARTISTS:** In Inspiring Artists, preschoolers will dive into the colorful world of art history by discovering famous works by celebrated artists like Van Gogh, Monet, Picasso, and more! Each week, little artists will explore a different masterpiece through storytelling, hands-on art projects, and playful discussions tailored just for their age group. This class is designed to spark creativity, build fine motor skills, and introduce young minds to the beauty and diversity of artistic expression.

**NEW PRESCHOOL FUN AND FIT:** In Fun and Fit, preschoolers will jump, stretch, run, and play their way to a healthy, active lifestyle – led by a certified trainer! This high-energy class combines movement, games, and activities designed to boost strength, coordination, and confidence—all while having tons of fun.

**NEW PRESCHOOL KIDS IN THE KITCHEN:** In Kids in the Kitchen, little chefs will explore the joy of cooking while developing important skills like measuring, mixing, and following instructions—all in a safe and fun environment! Each week, kids will roll up their sleeves, get their hands a little messy, and create yummy, no-bake treats—from savory snacks to sweet fruit creations.

**NEW PRESCHOOL JCC ROOKIES:** In JCC Rookies, preschoolers will discover the exciting world of sports through a weekly rotation of different activities—perfect for kids who love to move, play, and try new things! Each week, we'll introduce a new sport, from soccer and basketball to T-ball and relay races, helping kids develop important skills like teamwork, coordination, balance, and basic sportsmanship.

**NEW PRESCHOOL NUMBER NINJAS:** In Number Ninjas, preschoolers will counter their way through math fun! Little learners will explore counting, patterns, simple problem solving, and much more through hands on activities. Each class builds number confidence, sharpens focus, and encourages team work! This class is perfect for curious little learners so gravitate towards early math concepts!

**NEW PRESCHOOL YOGA, MEDITATION, & AFFIRMATION STATION:** In Yoga, Meditation, and Affirmation Station, preschoolers will embark on a peaceful journey of self-discovery through yoga, positive affirmations, and mindful meditation. Each class begins with the fun practice of learning and reciting five new affirmations to help build self-confidence and a positive mindset.

**NEW PRESCHOOL HEBREW HOORAY:** In Hebrew Hooray, preschoolers will discover the magic of the Hebrew language through a fun and creative learning experience. This playful language enrichment class introduces preschoolers to basic Hebrew words and phrases through music, movement, storytelling, and hands-on fun.

**NEW SCHOOL AGE CURIOSITY CREW:** In Curiosity Crew, school age students will dig into the wonders of science, technology, engineering, and math through hands-on, sensory-rich activities that spark curiosity and creativity! Each class is an exciting adventure where little learners mix, build, pour, squish, and explore the world around them—one messy experiment at a time.
