September 15, 2024

Community sponsors are critically important in ensuring that we continue to deliver outstanding health and fitness programs and services at the JCC for the Greater New Haven community. Sponsorships provide the unique opportunity to showcase your brand to a large, eclectic audience to build relationships for your business while providing benefits to children, parents, educators, and community leaders. We offer you the chance to reach key demographics. As an event sponsor, you will benefit from pre-event marketing and day-of-event signage and promotions. For more info, visit: jccnh.org/bagel-run
