

On November 7, 2021, JFS will be presenting The Great JFS Happy Hour. This year's annual fundraiser will help to celebrate the great and continuous work of JFS as well as benefit our services and programs dedicated to improving the lives of our clients. Along with our Happy Hour virtual event, JFS will be creating a lovely coffee table book (coffee table not included), a compilation of poems, works of art, jokes, photos, and anecdotes submitted by members of our Lehigh Valley community to reflect what has helped them through the past year.

We encourage one and all to submit your personal expressions through various forms—be it an original artwork or drawing, a joke (tasteful, please!), a puzzle, cartoon, poem, short story or photograph of a new furry friend, a project, a culinary creation, etc.

Please make sure to include your name, email address and phone number in case we need to follow up with any questions, as well as a brief description and title of your submission.

As this is a community event, intended for all, please ensure that your submissions are in good taste and appropriate.

We will do our best to include as many of the entries as possible. Thanks in advance for your understanding that due to the fact we are “spatially challenged,” all entries may not be included.

Please note that those submitting entries for the book represent that the submission is your original work, that it has not been copied or replicated from anyone or any publication and that it does not violate the rights or privacy of any other person or entity. Please also understand that we are unable to use any entry which contains photographs of people other than the author, unless accompanied by a written release by the other person(s) depicted.

Entries are due by: September 15, 2021.

Entries should be submitted to: WWW.JFSLV.ORG/HAPPYHOUR (If you need assistance, please call 610-821-8722). The formats available for electronic submission are: Adobe Creative Suite, PDF, EPS and JPG (300+dpi).
