**PLEASE READ AND SIGN THE RELEASE FORMS THAT FOLLOW**

**Mission Name:** Nashville CommUNITY Trip: Israel 2018  
**Date:** October 9-October 24, 2018

**Release of Liability for Death, Personal Injury, and Property Damage**

**Missions to Israel**

I am aware of the risks of travel to Israel and travel worldwide, including risks associated with my safety and security. These risks include, but are not limited to, property damage and loss, death, or injury by accident, disease, or terrorist acts. I am voluntarily participating in the Jewish Federation of Nashville and Middle Tennessee (JFED) Mission (the "Mission") with a full understanding of these risks, and I assume and agree to accept any and all risks to my safety and security during the course of participating in the Mission.

I have read, or have had the opportunity to read, the current United States Department of State's Travel Warning for Israel, Gaza, and the West Bank, attached hereto (see next page). I understand that, in advance of the mission, I may periodically check the State Department's website, found at <http://www.travel.state.gov>, to see if the Travel Warning has been superseded by a new Travel Warning.

I acknowledge and affirm that, notwithstanding any security arrangements that may be made by JFED, JFED does not guarantee and is not responsible for my personal safety or the safety of my property while participating in the Mission or any Mission-related activities, including, but not limited to, airline travel, ground transportation, meals, lodging, and recreational activities.

In light of the above and in consideration of being permitted to participate in the Mission, I do, for myself, my spouse, heirs, executors, administrators and assigns, release and forever discharge JFED, its respective subsidiaries, affiliates, predecessors, successors and assigns, and all of its respective past, present, and future officers, directors, shareholders, employees, agents, and contractors, and their respective heirs, executors, administrators and assigns (collectively, the "Releasees"), of and from any and every claim arising from or by reason of any bodily injury, personal injuries known or unknown (including emotional trauma), death, or property damage resulting or alleged to result from any accident, incident, or other episode that may occur, whether based upon the negligence of, or breach of contract by, any Releasee or any other party for whose acts or omissions any Releasee may be responsible in law or in fact, or any other cause or principle of law, as a result of my participation in the Mission or any activities in connection with the Mission.

This release contains the entire agreement between the parties to this release. This release supersedes any prior or contemporaneous agreements, understandings, and negotiations regarding its subject matter. This release shall be interpreted and enforced in accordance with the laws of the State of Tennessee, and shall be as broad and inclusive as permitted by such laws. If any provision of this release is held invalid, it is agreed that the balance shall, notwithstanding, continue in full force and legal effect.

I have carefully read the foregoing release and understand its contents, and acknowledge that this is a release of liability and such is a binding and fully enforceable contract between myself and JFED.

Having consulted, or having had the opportunity to consult, my own counsel as to its meaning and legal effect, I sign this release as my own free act.

Please sign:

Note: JFED requires that each adult 18 and over whose name appears on the same application, personally sign this security notice/release. Spouses, roommates, etc. may not sign for one another. Thank you for your cooperation.

## Israel, The West Bank and Gaza – Level 2 OUT

LAST UPDATED: JANUARY 10, 2018

Exercise increased caution in Israel due to terrorism. Some areas have increased risk. Read the entire Travel Advisory.

**Do not travel to: Gaza** due to terrorism, civil unrest, and armed conflict. **Reconsider travel to: The West Bank** due to terrorism, potentially violent civil unrest, and the potential for armed conflict. Terrorist groups and lone-wolf terrorists continue plotting possible attacks in Israel, the West Bank, and Gaza. Terrorists may attack with little or no warning, targeting tourist locations, transportation hubs, markets/shopping malls, and local government facilities. Violence can occur in Jerusalem and the West Bank without warning.

Jerusalem: Violent clashes and terror attacks have occurred throughout the city, including in the Old City. Acts of terrorism have resulted in death and injury to bystanders, including U.S. citizens. During periods of unrest, the Government of Israel may restrict access to and within portions of Jerusalem.

The U.S. government is unable to provide emergency services to U.S. citizens in Gaza as U.S. government employees are prohibited from traveling there. U.S. government personnel can travel freely throughout Israel, except throughout the West Bank and for areas close to the borders with Gaza, Syria, Lebanon, and Egypt. Additionally, portions of Jerusalem are occasionally placed off limits. Read the Safety and Security section on the country information page found at <https://travel.state.gov/content/travel/en/international-travel/International-Travel-Country-Information-Pages/Israel.html>

If you decide to travel to the areas covered in this document:

- Check the most recent Alerts at the Embassy and Consulate General websites for the latest information on travel in all of these areas.
- Maintain a high degree of situational awareness and exercise caution at all times, especially at checkpoints and other areas with a significant presence of security forces.
- Avoid demonstrations and crowds.
- Beware of and report to local police unattended items or packages.
- Follow the instructions of security and emergency response officials.
- Report suspicious activities or items to local police.
- Learn the location of the nearest bomb or other hardened shelter.
- Obtain comprehensive travel medical insurance that includes medical evacuation.
- Enroll in the Smart Traveler Enrollment Program (STEP) to receive Alerts and make it easier to locate you in an emergency.
- Follow the Department of State on Facebook and Twitter.
- Review the Crime and Safety Report for Israel, the West Bank, and Gaza.

- U.S. citizens who travel abroad should always have a contingency plan for emergency situations. Review the Traveler’s Checklist.

## Gaza

Hamas, a U.S. government–designated foreign terrorist organization, controls security in Gaza. The security environment within Gaza and on its borders is dangerous and volatile. Demonstrations occur on a frequent basis and may turn violent without warning. Sporadic mortar or rocket fire and corresponding Israeli military responses may occur at any time. U.S. government employees are not allowed to travel to Gaza and are restricted from traveling close to the Gaza border areas. Visit our website for Travel to High Risk Areas.

## The West Bank

Terror attacks and violent clashes in the West Bank have resulted in the deaths and injury of U.S. citizens and others. During periods of unrest, the Government of Israel may restrict access to and within the West Bank, and some areas may be placed under curfew. Visit our website for Travel to High Risk Areas.

## Restrictions on U.S. Government Employee Travel

U.S. government official travel into the West Bank is conducted only with enhanced security measures. U.S. government employees are largely restricted from most personal travel in the West Bank, though portions of the West Bank are occasionally authorized for personal travel, depending on the security environment. U.S. government personnel take additional security precautions when visiting refugee camps and “seam areas” where Israelis and Palestinians are in proximity to each other, and which have historically been flashpoints for violence. For example, sites with significant religious meaning to multiple faiths can be subject to violent protests or security incidents with little or no warning, especially during or around significant religious holidays.

- The U.S. government occasionally restricts travel for its employees to Jerusalem’s Old City based on the security environment. U.S. government employees are prohibited from personal travel into Jerusalem’s Old City on Fridays during the Muslim month of Ramadan.
- U.S. government employees are prohibited from using public buses and public bus terminals throughout the area covered in this advisory.
- U.S. government employees must observe additional security requirements if traveling for any reason to the following locations:
  - Within 7 miles of the Gaza demarcation line;
  - Within 1.5 miles of the Lebanon border;
  - East of Route 98 in the Golan; and
  - Within 1.5 miles of the Egypt border along the Sinai (including all portions of Route 10 and portions of Route 12).
