

Together we do a world of good,
but we still need to do more!

Did you know

by increasing the 2016-2017 Annual Campaign by just 10%, we could...

Continue to engage and develop our growing community by **reaching an additional 1500 Jewish newcomers annually.**

Provide 25 additional incentive grants to first time campers between the ages of 10-17 in our community to attend Jewish overnight camp.

Send 10 more Jewish high school students on a two week educational tour in Israel through the Jewish Federation's Get Connected program.

Ensure we meet the growing demand for senior adult transportation to a variety of destinations by **providing an additional 1,000 Shalom Taxi vouchers rides.**

Help more than 140 families in need in our Partnership2Gether region Hadera-Eiron by implementing Youth Futures, a school based program providing professional mentors for children to help alleviate the risk factors associated with chronic poverty, neglect, and other family stressors.
