NOTES: Exhibit was given to archives by Candace Adelson from the TN Museum because there was a storage shortage and the museum was being cleaned out for the move to the new building on the Bicentennial Mall. They were copied onto self-stick postits by Chromatics and were scanned as image files. There are 24 panels. The exhibit traveled to 14 places around Tennessee. Acc # 2188). The last two panels are about the Temple architecture; last panel is about the oldest companies in the state. Special note: The curator gave with no fee and the remaining funds in the grant can't be accessed.
