In Conversation with Paul Krugman: The State of the Economy

As one of the world's leading economists, Professor Krugman's work as an Op-Ed columnist for The New York Times has so often explained in clear and concise terms the economic issues that affect us all. As we head towards the election, hear his views on the economic issues the candidates should be focusing on, what the outcomes are likely to be, and what our key challenges will be in the next four years.
