Jewish Federation of Reading Student Camp and Education Awards

Throughout the years, Jewish Federation of Reading has provided monetary awards to youth in our Berks County Jewish community to attend Jewish summer camp and to high school and college students studying abroad in Israel or participating Jewish leadership programs. We are proud to offer these awards to nurture their Jewish identity, leadership and connections with their culture, history and Israel.

If you have questions pertaining to your child/children's eligibility for any of the offerings below, please contact Program Director Vicki Graff at the Federation office at 610- 921-0624 or vickig@jfreading.org.

Working together with our families and thanks to your campaign support, our Jewish community can help its children grow and discover a deep-seated and profound sense of what it means to them to be Jewish, while learning about themselves and the world.

Are you interested in helping send a camper to Jewish camp or support a student as they explore their Jewish culture abroad? Please contact Richard Bradbury, Development Director at 610-921-0624 or richardb@jfreading.org.

***Note:** Jewish Federation of Reading is not representative of, nor does it support, any one movement of Judaism. Jewish Federation of Reading, Inc. reserves the right to discontinue one or more of these programs or limit the number and/or value of any or all of the awards at any time without prior notification to applicants.*

All scholarship recipients will be asked to submit a photo and paragraph or article to be included in the Shalom about their experience upon their return from camp or their program.

All requests must be made 60 days prior to the start of the program.
