## Something for everyone on calendar

We hope you received the Federation's Calendar of Events booklet in the mail. This was a labor of love for our staff to catalog the different programs offered through the Federation, and we hope you find it useful and informative.

As part of our mission to strengthen the connections here in Berks County, the Federation offers a variety of programming throughout the year for all ages that are open to everyone.

Do you love to read? Try out our Literatour program in collaboration with the Exeter Community Library.

How about an Israeli cooking class with Adi, our Shlichah from Israel?

For those who are retired or have time during the day, Carole Robinson is organizing our monthly Noontime Knowledge programs. Come out and exercise your brain!

Maybe evening mah-jongg is more your style? We have that too!

We encourage you to peruse the book and find a few things that interest you.

Registration is easy, just follow the instructions in the book to let us know you're coming.

We can't wait to see you!

# Lakin Preschool enjoying excitement of fall

By Holli Winick Viau

Lakin Preschool is so excited for fall!

We are playing outside with our jackets on and watching as the leaves start to change colors! We are experimenting with pumpkins, and creating lots of art with leaves. We are learning about Native Americans and starting to focus on Thanksgiving.

We are super excited about our upcoming Fall Festival and program! Unfortunately, parents and the public will not be able to attend, but the children will still be doing their performances, and we will have them recorded and posted on YouTube so that those interested can watch.

We are planning a fun day on the Wednesday before Thanksgiving, during which the children will have the opportunity to create many fall- and Thanksgiving-themed projects, and participate in several large motor activities. We will enjoy fall-themed snacks as well. They will be bringing all of their creations home in a self-decorated tote bag!

If you know anyone who might be interested in the preschool for their child, ages 2-5, please forward along the contact information: MsHolli@ljfreading.org and 610-223-8058.
