Youth program: Humans of the Holocaust

This moving project that was found by Erez Kaganovitz, tells the story of the Holocaust in a different way: with inspiration and optimism. The project takes a fresh perspective on the experiences of Holocaust survivors, showcasing how the human spirit can overcome even the direst of circumstances. This project makes you want to engage with the human story behind it.

We will talk with Erez and we will explore the moral aspects that Holocaust survivors deal with on a daily basis. Through the stories of the survivors, we will explore issues like human rights, antisemitism, democracy, the remembrance of the Holocaust and even the power of forgiveness.
