A fond farewell from our director

By Holli Winick Viau

It is with mixed feelings that I write my last article for *Shalom*. I have decided to retire when summer camp ends in July. I will have the wonderful opportunity to spend more time with my grown children and my husband and will have the time to do all of the things I love.

The staff at Lakin will continue its excellent programming. They are a loving and caring group of professionals who will keep the school going without interruption. I love each one of them as people but also for everything they bring to Lakin and our children. I also love each child for the individual they are and for the joy and wonder they show as they learn. I appreciate all of our Lakin parents for trusting us

with their precious children and for supporting me and our programming throughout the year.

The Federation staff has been very supportive, and will continue to work to find a person to step into the role of Preschool Director. I am confident that the person they choose will be loving and caring and possess all of the professional requirements for the position.

As I leave, I feel confident that Lakin Preschool is positioned to go on for many years to come. Lakin has great support from the Federation, a wonderful staff to carry on its legacy of love and learning, and the support of an outstanding group of parents. It has been my pleasure to serve as Preschool Director of Lakin Preschool.

Colorful fun at the Lakin Preschool Art Show.
