**Agreement for Limited COVID-19 Release**

As you are aware, the COVID-19 pandemic has resulted in a national state of emergency. During the crisis, Shorefront YM-YWHA is taking extra precautions to address the direct threat of COVID-19 to our program participants, visitors and employees. Some special activities to protect everyone include:

- Performing extra cleanings of the facility, including workstations, restrooms, waiting areas, equipment and supplies;
- Requiring PPE, including face coverings or face masks for program participants, visitors and employees
- Upgraded HVAC ventilation filters to MERV 11 (the highest level of filtration that our equipment can use)
- Requiring employees to regularly hand wash;
- Requiring social distancing when possible;
- Providing wipes and sanitizer throughout the facility.
- Deeply clean and sanitize the facility at the close of all programming.

Even with our enhanced and ongoing safety precautions, we cannot guarantee that they will protect everyone from COVID 19.

Due to the nature of our work and the uncertainty of the spread and contagion of COVID-19, the Shorefront YM-YWHA is requiring that each all program participants and guest agree to and sign this limited COVID-19 waiver and release for themselves and their children in programming.
