HEALTH & SAFETY GUIDANCE

Daily health screenings should be completed by a family member at home before coming to the Shorefront Y, and by our staff upon arrival. Before leaving home family members should look out for signs and symptoms of COVID-19 in themselves and children.

Upon Entry: As part of the health screenings, Shorefront Y staff will perform: temperature checks using non-contact thermometers for both adults and children (a parent with a temperature 100.0°F or higher will not be able to leave a child at the Shorefront Y, and children with a temperature of 100.0°F or higher will not be able to enter the building.)

Children must be healthy in order to attend any program at the Shorefront Y. Family members or chaperones will not be allowed to enter the building with the program participants. Each participant entering the building will have to complete a health screening questionnaire.
