Health & Safety Guidance

Daily health screenings should be completed by a family member at home before coming to the Shorefront Y, and by our staff upon arrival. Before leaving home family members should look out for signs and symptoms of COVID-19 in themselves and children.

Upon Entry: As part of the health screenings, Shorefront Y staff will perform: temperature checks using non-contact thermometers for both adults and children (a parent with a temperature 100.0°F or higher will not be able to leave a child at the Shorefront Y, and children with a temperature of 100.0°F or higher will not be able to enter the building.)

Children must be healthy in order to attend any program at the Shorefront Y. Family members or chaperones will not be allowed to enter the building with the program participants. Each participant entering the building will have to complete a health screening questionnaire. Staff, children and family members must maintain at least six feet of distance from others while awaiting health screenings. Screeners and individuals being screened must wear face coverings if they can medically tolerate them.

Following the health screen, children should be dropped off at the front of the building and will proceed to their class, adults accompanying a child will not be permitted to enter the building. Children will be required to wear masks at all times until such requirement is lifted by Health Regulations. Dismissal will be at the front of the building. Family members must maintain at least six feet of distance from others.

Registration and Transfers

Swim team is a 10-month program and participants are required to make a commitment for the full year. All participants will have try-outs for orientation purposes and group placement. Participants register for classes that meet on specific days and times. All courses are filled on a first-come basis. Holiday closings are included in the number of sessions and price of classes (please see holiday schedule). We strongly recommend that you register for the appropriate class at the time of payment.

Make-Up and Refund Policy

Attendance is the sole responsibility of the participants and there are no make-up practices. The Shorefront Y is not responsible for providing class make-ups, credits, or refunds for programs or classes missed as a result of illness, family emergency or other personal situations.

- Swim Team fees assessed by Shorefront Y are non-refundable except under the following circumstances:
- Extended swimmer illness (defined as an illness causing the swimmer to miss swim practice for 14 or more consecutive calendar days);
- Serious swimmer injury (defined as an injury causing the swimmer to miss swim practice for 14 or more consecutive calendar days);

In the event of an extended swimmer illness or serious swimmer injury, the prorated unused portion of the affected monthly's fees will be refunded to the swimmer's Shorefront Y account. In event of injury, when swimmer is unable to continue participation in the Swim Team program, it is the participants' responsibility to bring a written doctor's note within 3 days of the injury or illness in order to potentially qualify for a refund or credit. All refund and credit requests must be submitted in writing to the administration. Please note that there will be a \$25 administration fee for processing refund/credit requests. Credits and refunds will be made at the discretion of the administration. A swimmer will be considered absent from a program until a written withdrawal notice is received.

No other fees, charges, assessments, or other amounts paid to Shorefront Y are refundable under any circumstances.

The Shorefront Y reserves the right to cancel a program in the event of inclement weather, unavailability of an instructor (in the absence of a substitute) and any facility or community situation as deemed urgent by the administration. Every attempt will be made to inform registrants of class cancellation. We will make every effort to reschedule cancelled classes if possible; however we do not guarantee that this will always be possible.

**Program Cards**

All swim team participants will be issued registration cards upon registration for the term of the program. They **MUST** present their registration cards at the security desk in order to access the facility.
