

Where we learn to play...and play to learn!

Strong Academic Foundation

Loving, Nurturing Environment

Supportive Community

The JCC Preschool provides a stimulating and caring learning environment while maintaining protocols to help keep everyone safe and healthy. Part-time and full-time options for infants through Pre-K are offered in two convenient locations.

Children experience early literacy, math, social studies, science and fine arts in ways that are meaningful to them - making connections to the world around them and forming a deeper understanding of concepts and relationships. Children learn values and character development through a Jewish lens, while embracing and welcoming the diversity of our community.
