ANNUAL REPORT 2022

Leadership message

Dear Chaverim (friends):

We are proud to present this 2022 Annual Report of Jewish Federation of Greater Toledo ("JFGT") and Toledo Jewish Community Foundation ("TJCF") to the community.

World events over the last several years, including the COVID pandemic, stock market turns, war in Ukraine, and rising antisemitism, have presented challenges and opportunities. JFGT and TJCF have, with your generous financial support and participation, evolved, grown, changed, and delivered on the promise of a bright Jewish future for Toledo and Jews around the world.

This Report shares just a sliver of the incredible programs and services we provide. At its core, JFGT is committed to the idea of Jewish Peoplehood. As Jews, we believe in certain things, we behave in certain ways, and we belong to a group of people with a collective memory of an extraordinary transformation through enslavement, tragedy, and triumph. We are resilient, and in a world that is hungry and in need of community, we offer an idea, vision, and example for how people can support one another, remain unified, and work for common interests without being entirely uniform. This is our passion. We pledge to continue to work to preserve, maintain, and innovate Jewish life. Those efforts are explained on the pages that follow.

We connect people to Jewish life. We secure people and places. We foster hope. We advocate for Jewish and human interests. We manage and grow community assets for today and tomorrow. We fund Jewish institutions. We use our tools to make the world a better place here and around the world. We could not do it without your ongoing support and participation, for which we are grateful.

Thank you for your connection to our efforts.

Laurie Gross, JFGT President

Matt Kripke, TJCF Chairman

Stephen Rothschild,
JFGT Chief Executive Officer and TJCF Interim Director

“I’ve been using the JSFSS Food Pantry over the past year while I was recently homeless. The social worker at JSFSS created a list of income-based apartment complexes and even called around to find out which ones were accepting applications. Now that I’ve found a new place, they supply us with personal care items/cleaning items/fresh produce monthly so we can allocate our money elsewhere. We wouldn’t be here without them.”

– Community member

“My wife called JSFSS because we didn’t have a wheelchair, and the hospital was saying they wouldn’t be providing one after an operation I was having. JSFSS found us a wheelchair in Sylvania and brought it to us at the hospital and made sure, once home, we were able to get into our house. My wife still thanks them for saving us that day.”

IMPACT

Toledo Jewish Community Foundation

TJCF provides extensive and critical sources of funding for community needs through the generosity of community members who recognize the importance of both Federation's Annual Campaign and planning through legacy gifts. As our community diversifies and priorities grow and change, we can no longer rely on the Annual Campaign to meet all our future needs. Creating a permanent endowment can ensure the future of our Jewish community.

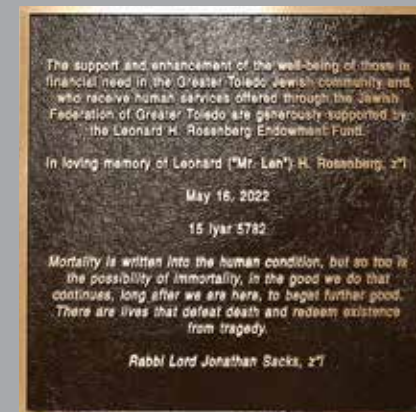

7 new funds were created in the TJCF.

15 Long Term Community Needs Fund grants totaling **\$186,664** supported our community and Jewish Community Relations Council programs, Jewish Toledo programming, Toledo Hillel, Congregation religious schools, the EMOJI summer camp program, and Emerging Grants (special unique, one-time programs).

96 donors gave **\$2,587,274** to TJCF in support of the Jewish community.

Making an impact through Legacy Giving Lenny Rosenberg (z"l)

Leonard H. Rosenberg Endowment Fund."

A plaque in the JFSSS Sekach Building reads, "The support and enhancement of the well-being of those in financial need in the Greater Toledo Jewish community and who receive human services offered through the Jewish Federation of Greater Toledo are generously supported by the Leonard H. Rosenberg Endowment Fund."

In December 2015, Lenny Rosenberg created the Leonard H. Rosenberg Endowment Fund with the Toledo Jewish Community Foundation to be funded upon his death with the balance of his IRA. The Fund would be used to support and enhance the lives of those in the Toledo Jewish community long after he was gone to meet a wide range of individual needs and human services at every stage of life.

In the weeks before his death in May 2022, with the help of his long-time and trusted friend and attorney, Jim Anderson, Lenny contacted TJCF to plan an additional permanent gift to benefit the Toledo Jewish community. On Lenny's behalf, Jim explained that Lenny wanted to make an impact and be remembered. Jim told us that he wanted to leave JFGT/TJCF a total of \$750,000 and that the first part of the gift, roughly \$431,000, would be part of the 2015 Fund but that he wanted the balance of the fund to be a Perpetual Annual Campaign Endowment Fund ("PACE"), roughly \$319,000 that would provide nearly a \$16,000 a year contribution to JFGT's Annual Campaign **forever**. Combined, Lenny's two gifts will provide approximately \$37,500 a year in support of Jewish Toledo. Lenny's Endowment Fund will be used to support the programs and

services provided by Jewish Senior, Family and Social Services by, among other things, assisting those facing a financial or health crisis, providing emergency food, rent or utility assistance, day/overnight camp scholarship support, and enrichment for those with disabilities.

Sadly, shortly after confirming plans for the PACE gift, Lenny passed away. Born February 13, 1953, to Sam and Jean Rosenberg, Lenny grew up in Old Orchard and attended Old Orchard Elementary School, DeVilbiss High School, and The University of Toledo.

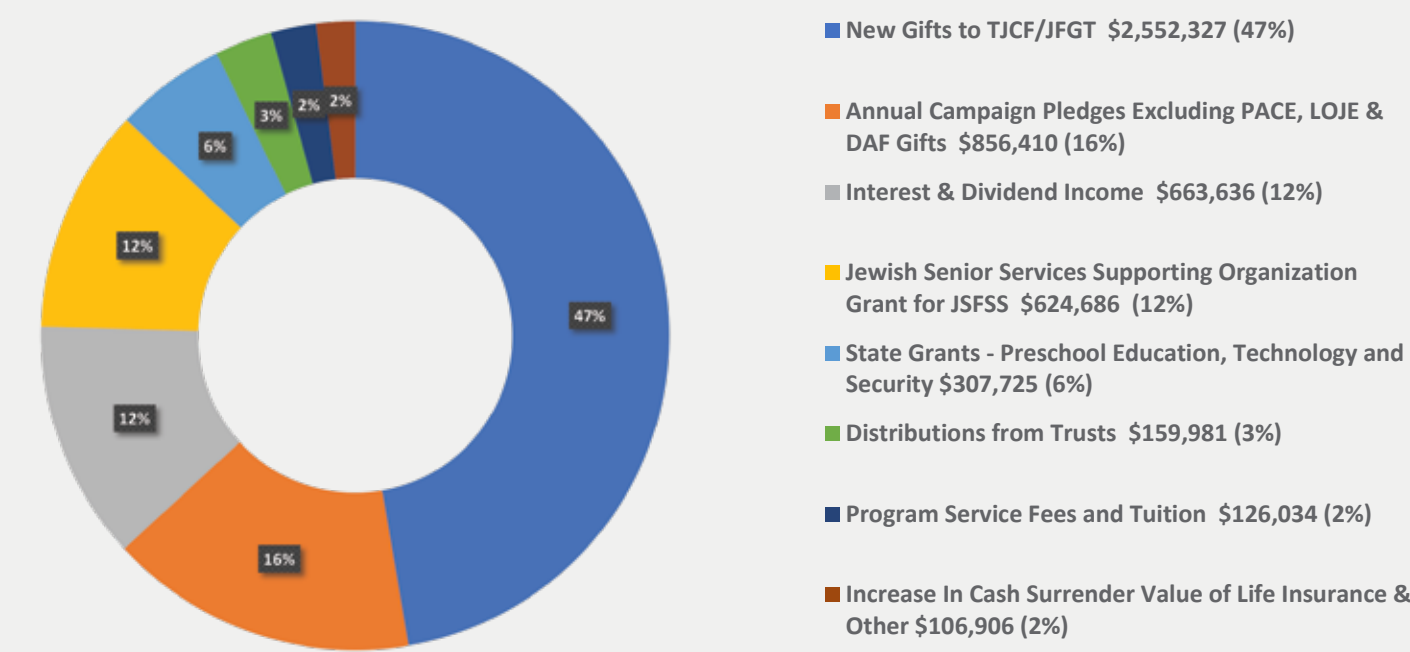

In November, 2022, a dedication was held to remember Lenny and to unveil a plaque in the Sekach Building. The plaque recognizes Lenny's generous contributions and remembers Lenny with a quote from Rabbi Lord Jonathan Sack, z"l,

Mortality is written into the human condition, but so too is the possibility of immortality, in the good we do that continues, long after we are here, to beget further good. There are lives that defeat death and redeem existence from tragedy.

As a community, we are grateful to Lenny for the decisions he made to remain immortal by creating lasting legacies that will perpetuate the good that Lenny did during his life long after his untimely passing.

She currently serves on Jewish Federation of Greater Toledo (JFGT) Campaign Cabinet Committee and Community Program Committee and is a Lion of Judah.

Christina has been practicing law for over 18 years and works in-house for a healthcare research & consulting company. She loves traveling and playing tennis in her free time, but her favorite role is being a wife and mother to stepson Cobin (13) and daughter Elle (5).

Yehuda is a member of the Slonim Chassidic community. He married young and was studying Torah full-time and had no exposure to career options and no guidance about how to earn a living. Thanks to the support of Jewish Federation of Greater Toledo, Shimon, also a Slonimer Chassid, has been trained to help members of his community obtain jobs. He approached Yehuda and convinced him to study for a skilled professional career.

Yehuda was sent to professional career testing, which indicated he was interested in construction and that technical oversight was a good match for him. He enrolled in a vocational training course

to become a government-certified construction worksite foreman, responsible for safety, technical oversight, logistics, and operations of construction projects. The short but intense training path was critical for him, as his family would not have been able to survive without income for long.

As construction legally cannot take place without a foreman present, and there is a shortage of government certified construction foremen compared to the number of construction projects, Yehuda has a lucrative and high-demand career ahead to support his family and his way of life. He can now support himself and his family while still having time for Torah study.

Yehuda is one of countless Israelis personally impacted by your contributions to the JFGT Annual Campaign.
