During the war, after losing his family to Hitler's "final solution," young David leads a courageous group of Jewish resistance fighters against the Nazis. When Germany is defeated, he journeys to Jerusalem to find a new battle brewing. British occupation forces are entrenched in Israel, blocking Holocaust survivors from immigrating to their Jewish homeland.

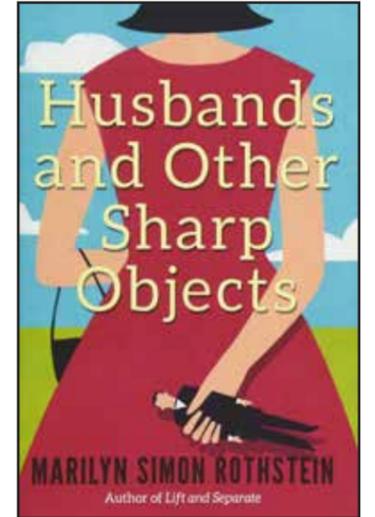

Now, in time for this iconic film's 50th birthday, author Beverly Gray offers up a smart reading of the film itself as well as vivid, never-before-revealed details from behind the scenes of the production—including all the drama and decision-making of the cast and crew. For movie buffs and pop culture fanatics, *Seduced by Mrs. Robinson* brings to light *The Graduate's* huge influence on the future of filmmaking.

When Nancy Balbirer learns her beloved 11-year-old beagle has kidney failure, she's devastated. Her dog is terminal, her marriage is on life support, and Nancy is desperate to save them both.  
With humor and heart, Nancy Balbirer shares her story of relationships, loss, and canine friendship in this illuminating memoir about the lengths people will go to keep love alive...and the power of finally letting go.

A brutal crime. The ultimate cover-up. How do you solve a murder with no useable evidence? Private detective Nils Shapiro is focused on forgetting his ex-wife and keeping warm during another Minneapolis winter when a former colleague, Anders Ellegaard, calls with the impossible.

After a lifetime of marriage, Marcy Hammer is ready to get herself unhitched. But, Marcy finds herself planning her daughter's wedding as she plans her own divorce. Trying to make everyone happy might prove to be impossible—because in the end, Marcy alone must make a choice between something old and something new.

# Jewish Federation of Greater Toledo

## Wow, it's already November!

Our time of reflection has passed and now we are approaching a time for giving - giving gifts, giving support, and giving thanks. On behalf of Jewish Federation of Greater Toledo and Toledo Jewish Community Foundation, thank you for your dedication to and continued support of the Toledo Jewish community.

It's also the time to begin thinking about year-end planning. Please remember that Federation and Foundation are excellent resources as you make these important decisions.

A charitable gift of any size is important and makes a huge impact, but the choices you make about HOW to give to Federation's Annual Campaign and other charities you care about may influence your own benefits.

### Are you 70 ½ years old?

*It may be advantageous to make distributions to charities directly from your IRA.*

### Could you benefit from guaranteed income for life?

*Consider a charitable gift annuity in the Foundation.*

### Do you have appreciated stock?

*Transferring securities may be particularly beneficial, considering the tax advantages. These can be used for the Annual Campaign or a gift in the Foundation.*

Please contact Arleen R. Levine, Foundation Director, or Tina Stieben, Interim COO for any philanthropic questions or ideas. We would love to discuss with no obligation and always remember...check with your financial advisor!

## IRA CHARITABLE ROLLOVER

If you are 70 ½ or older, you can make an annual, tax-free gift from your Individual Retirement Account (IRA) of up to \$100,000 per year to the Federation.

## IRA CHARITABLE ROLLOVER

If you're required to withdraw funds annually from an IRA, making a direct distribution to the Federation can be an easy, low-cost, smart way to support the important work of the Federation.

### How does it work?

If you've reached the age of 70 ½ by the date of your distribution, you are eligible to make a tax-free gift of up to \$100,000 per year to Jewish Federation of Greater Toledo from your IRA.

To make a Qualified Charitable Distribution, (the official term for this gift), instruct your IRA administrator in writing to distribute any amount up to \$100,000 from your IRA directly to the Federation.

### What are the benefits?

- A Qualified Charitable Distribution from your IRA is not deductible, but neither is it subject to federal or Ohio income tax. The tax benefit is available both for donors who itemize and those who do not. And because a Qualified Charitable Distribution is not deductible, it does not count against the annual federal ceiling on deductible charitable contributions.

- You may count your Qualified Charitable Distribution toward your minimum distribution requirement for the year.
- While you may not place your Qualified Charitable Distribution in a donor advised fund, supporting foundation or private foundation, you may earmark your distribution:
  - To make a current gift to the Annual Campaign.
  - To create a Lion of Judah Endowment ("LOJE") or Perpetual Annual Campaign Endowment ("PACE").
  - To establish a special endowment fund to support a particular field of interest to you in the Jewish community or to support the continuing charitable purposes of one or more Jewish agencies.

**Remember:** You can also make a legacy gift by naming the Federation as a beneficiary of your IRA.

This material is presented for informational purposes only and should not be construed as legal, tax or financial advice. When considering gift planning strategies, you should always consult with your own legal and tax advisors.

## Jewish Family Service Volunteer Opportunities

The **Friendly Visitor** program matches and trains volunteers to engage one-on-one with Jewish older adults. Through regular visitation, Friendly Visitors provide companionship, socialization, and instill a sense of worth. Fulfillment flows both ways in the volunteer/friend relationship, as both lives are deeply enriched.

The **Patient Advocate** program trains volunteers to accompany older adults to medical appointments. Volunteers assist clients in preparing for the appointments by helping identify concerns or questions to discuss with their doctor. Volunteers transcribe the physician's notes to ensure they are clearly understood by the client. In addition to providing support and advocacy during the appointment, a Patient Advocate furnishes a written summary of the appointment for the patient and JFS Social Worker.

The **Phone Buddy** program matches Jewish older adults with volunteers who conduct conversational wellness calls on a weekly-basis. Not only do these calls serve as a safety check, they also provide reassurance, support and conversation to clients who are in need.

The **Music & Memory**™ program provides customized playlists on iPods to seniors suffering from cognitive impairment and forms of dementia. Volunteers help serve the clients by downloading music and compiling customized playlists.

### Have a busy schedule?

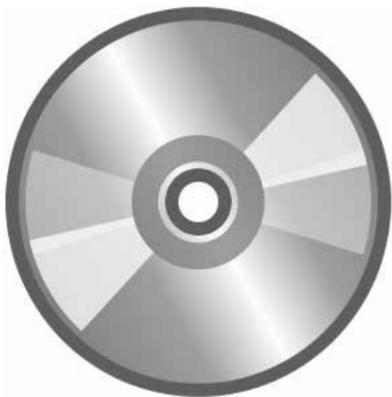

We have contingent volunteer opportunities!

- **Handy Helper** (assistance with simple household tasks)
- **Technology Assistance** (cellphone, computer, iPad, etc.)
- **Mitzvah Basket Decoration**

Did you know that you can designate your **2018 UNITED WAY** pledge to **JEWISH FAMILY SERVICE** Simply write "Jewish Family Service, Sylvania, OH" in the Optional Section on the designation card.

Everyone benefits when you designate your United Way pledge! Thank you!

## Your old CDs can help seniors suffering from cognitive and physical impairments...

Research has shown that a personalized playlist of songs can improve the mood of people with neurological diseases, boost the mood and cognitive skills of those suffering from a wide range of cognitive challenges, and more. We are in need of CD donations of Hungarian, Polish, Russian and Yiddish Music for clients who are a part of the JFS Music and Memory program, as these genres of music are difficult to find on iTunes.

Are you a music lover? Are you tech savvy? Your skills are needed. The Music and Memory program is in need of volunteers to download music to iPods.

In addition we appreciate any donation of used (or new) iPods, iPads, Speakers, Headphones, CDs (any genre), and iTunes gift cards.

To donate, to learn more about volunteer opportunities, or to sign up for Music and Memory, contact Liz Witter at 419-724-0406, or liz@jewishtoledo.org

## How to contribute to Jewish Federation of Greater Toledo/Toledo Jewish Community Foundation

- Donate online at [www.jewishtoledo.org](http://www.jewishtoledo.org)
- Call Tina Stieben at 419-724-0371 or email her at [tina@JewishToledo.org](mailto:tina@JewishToledo.org) for stock or IRA gifts
- Donate or pay by mail by sending your pledge cards and payments to: Jewish Federation of Greater Toledo, Attention: Angie Hunt, 6465 Sylvania Avenue, Sylvania, Ohio 43560.

*Please note that checks need to be post-marked by December 31, 2018 for a 2018 tax deduction.*

### Gift Policy Statement

#### Regarding Donations of Stock Stock Payments

Jewish Federation of Greater Toledo is happy to accept donations of stock as payment for pledges made to the Annual Campaign. Stock gifts need to be received by 12 p.m. (noon) on December 28, 2018 in order to sell before the market closes. Please note the brokerage firm may charge a transaction fee up to an amount of \$100.00.

*It should be noted that our procedure is as follows for accepting stock:*

Whenever a gift of stock is made, the donor receives a confirmation in writing that the gift was made on that date. Normally upon consultation with financial professionals, this is the date used when valuing the gift for IRS tax purposes.

After being notified that a gift of stock has been made, either from the donor or a stockbroker, the stock will then transfer into the Federation's account and Federation will sell the stock. The net proceeds of the sale of stock will be applied against any outstanding pledges for the individual. The donor will be notified, in writing, what the net proceeds were.

To expedite this process, it is extremely helpful if the donor, his/her stockbroker or financial advisor notifies Federation's Department of Finance verbally or through email when a gift of stock is made. By following this procedure, the timing between the gift being made and the sale of the stock is greatly reduced.

Please contact Tina Stieben, CFO, at [tina@JewishToledo.org](mailto:tina@JewishToledo.org) or 419-724-0371, or 419-346-5397 (cell) for further assistance.

#### IRA Charitable Rollover Checks

Jewish Federation of Greater Toledo is also happy to be able to accept IRA Charitable Rollover contributions to the Annual Campaign. Please contact Tina Stieben at 419-724-0371 or Arleen Levine 419-724-0355 if you are making provisions with your financial advisor to donate with an IRA Charitable Rollover check; this way we can ensure that the check is processed timely and that you receive the appropriate tax letter. For further information on the eligibility to contribute using your IRA Charitable Rollover, please consult your financial advisor.

#### Personal Credit Card & Check Payment Deadlines

**Credit card payment information must be received at Jewish Federation of Greater Toledo by 12 Noon Friday, December 28, 2018** for 2018 tax purposes. As stated above, payments by check need only be post-marked December 31, 2018 for 2018 tax purposes, or you can make payments online at [www.JewishToledo.org](http://www.JewishToledo.org) by midnight on December 31, 2018. Please note that our offices will be closed Tuesday, December 25, 2018 in observance of Christmas holiday. Please call the accounting department before 2:00 pm at 419-724-0366 to process a credit card payment over the phone.

## Humor Me

**Saturday, January 12**

**7 p.m.**

**93 minutes, English**

A once-acclaimed New York playwright, Nate (Jemaine Clement), is struggling to finish his new play when his wife (Maria Dizzia) leaves him, taking their son. Desolate, broke, and unable to pay the rent, Nate begrudgingly moves in with his widowed father, Bob (Elliott Gould), in his New Jersey retirement golf community. Bob, always quick with a joke, uses humor to deal with all of life's challenges.

## Shalom Bollywood

**Saturday, February 23**

**7 p.m.**

**76 minutes, English, Hindi with English Subtitles**

Full of unexpected delights, Shalom Bollywood tells of the Jewish stars that dominated early Indian cinema. When the world's largest film industry began, it was frowned upon for Hindu and Muslim women to appear on screen. So, their roles were played by members of India's Jewish community, Baghdadi and Bene Israel descendants who faced no taboos about performing in public. From the silent era through Bollywood's golden age, Indian cinema icons share their highs and lows and how their careers pushed the boundaries of Indian-Jewish culture. Interviews plus rare archival footage and retro-style music and animation revive the all-singing, all-dancing, cheeky feel of a Bollywood production.

## Experience a Memorable Overnight Jewish Initiative

Apply today at [www.jewishtoledo.org/emoji](http://www.jewishtoledo.org/emoji)

Experience a Memorable Overnight Jewish Initiative (EMOJI) is designed to offer children between the ages of seven and 16 a Jewish camping experience FREE OF CHARGE for first-time campers, or at a very reduced cost for children who are returning to a Jewish camp.

One of the most pivotal experiences a child can have in his or her life is attending a Jewish overnight summer camp. Studies show camping builds vitally important key development indicators in adolescence. Jewish camp builds a strong positive Jewish identity that lasts a lifetime, and graduates of camp are more likely to seek out leadership roles later in life.

The process is simple. Parents register their child(ren) for camp and apply for any applicable subsidies through the camp and through their temple (if affiliated). Then, each applicant completes a community application for support from Federation and Foundation.

For more information, contact Sally at 419-724-0386 or [sally@jewishtoledo.org](mailto:sally@jewishtoledo.org).

## Concert to commemorate 80th anniversary of Kristallnacht

By Emily Gordon

It has been 80 years since Kristallnacht, “the Night of Broken Glass,” shattered life for Jews in Germany and, eventually, all of Europe.

The two-day pogrom resulted in hundreds of synagogues in Germany and Austria destroyed or completely defaced, thousands of Jewish businesses and homes ransacked, and glass and furniture tossed into the streets.

Approximately 30,000 Jewish men were rounded up and sent to concentration camps during the pogrom widely regarded by historians as the beginning of the Holocaust.

The 80th anniversary of Kristallnacht will be observed in Toledo on Nov. 18 with a free concert at Temple Shomer Emunim at 4 p.m.

Samuel Rosenbaum, Z”L, and Samuel Adler’s Kristallnacht cantata “Stars in the Dust” was commissioned by 22 American congregations to mark the 50th anniversary of Kristallnacht in 1988, said Adler, world renowned composer and Jewish Toledoan, in his program notes.

“The work opens with a question as to how could this happen in a country that prided itself on tolerance, intelligence, and education in its past and present. The rest of the piece is an answer to how this transformation took place, and the terror it started throughout Europe resulting in the destruction of most Jewish communities on the continent,” Adler stated in his notes. “The ending of the work is a call for such events to never happen again and a call for vigilance for such events never to happen again.”

“Stars in the Dust” features Cantor Andrea Rae Markowicz, soprano; Christopher Scholl, tenor; Lance Ashmore, baritone; and Bowling Green State University Collegiate Chorale, Richard Schnipke, director, and Orchestra.

The performance will be conducted by Emily Freeman Brown, music director and conductor of the Bowling Green Philharmonia and Opera Theater and professor of conducting in the College of Musical Arts at BGSU. It will be narrated by Los Angeles actress Michelle Azar.

Conducting “Stars in the Dust” is a “very powerful experience” for Freeman Brown, as she is married to Adler and considers it his family and community’s legacy, she said.

“His personal family history very closely connects us to the piece. He was 10 years old during Kristallnacht and his father was the last cantor at the central synagogue in

Mannheim, Germany. He and his family left Germany soon after,” Freeman Brown said. “Sam considers coming to America as having saved their lives. He feels a debt to America and a need to commemorate Kristallnacht here.”

Although she conducts Adler’s works often, Freeman Brown has never conducted “Stars in the Dust” before, she said.

“We decided this was a good time to perform it, to mark the 80th anniversary. I was very interested in performing the piece and doing so in Toledo. It seemed like the right time,” she said.

The couple agrees that observing anniversaries that examine the past are important to maintaining a peaceful culture for the future.

“We must commemorate these events with special emphasis on the fragility of any society and an awareness that only through involvement in our society and its constant improvement can we insure the stability of our future,” Adler said in his notes.

Freeman Brown hopes audience members will be inspired and have something to think about after the concert.

“Music has a way of speaking to our sensitive and deeper nature,” she said. “It speaks to our hearts in ways words don’t on their own. With so much noise out on social media, music has a way of speaking to society in a way that goes deeper.”

As the grandchild of Holocaust survivors Ruth and Philip Markowicz and having grown up in Toledo, performing the piece is special to Cantor Markowicz, too.

“I like to think of music as a collaborative medium. We all bring our unique gifts to a project to help create something greater than ourselves,” Cantor Markowicz said. “Ten years ago, when I began the journey to become an ordained Cantor, I made this idea a part of my life’s purpose - to utilize music as a collaborative medium to help make meaning, to help connect people to their Judaism, their spirituality, their communities and the world around us. For me, being a part of commemorations like this is a duty, and a small way that I can do my part to make sure that the horrors of this dark period in our history are never forgotten.”

Cantor Markowicz considers the commemoration an exceptional opportunity for community members to learn about Kristallnacht and observe its anniversary.

“We are fortunate to have Dr. Samuel Adler, a witness to these events and a world-renowned composer, as a member of our community. His exquisite interpretation through music of his story to help memorialize the destruction of the Night of Broken Glass is poignant and moving and, I believe, an important work in helping to guide us to a more peaceful future as we learn from our past,” she said.

Freeman Brown is looking forward to having so many “stars” perform together.

“The forces we put together for this performance are all amongst our best players. It’ll be really special and a real highlight to get this quality of performing forces together for this event. We’re really happy to bring everyone up from Bowling Green to do it,” Freeman Brown said.

Additional performed pieces will include Sim Shalom (Grant Us Peace), Ahavat Olam (Everlasting Love) and Adonai, Ma Adam (O Lord what is man?)

The daughter of Jewish-Iraqi refugees, Julius wrote "UPROOTED: How 3,000 Years of Jewish Civilisation in the Arab World Vanished Overnight" to shed light on the post-1948 exodus of more than 850,000 Jewish refugees from the Arab Middle East and North Africa (Mizrahi Jews) and its causes. Her book also assesses how well these Jews have integrated into Israel and how their struggles have been politi-

cized. It charts the growing clamor for recognition, redress, and memorialization for the refugees and explores how their cause can contribute to peace and reconciliation between Israel and the Muslim world.

## Perrysburg Musical Theatre to present 'Parade'

Amid religious intolerance, political injustice and racial tension, the stirring Tony Award-winning Parade explores the endurance of love and hope against all the odds. With a book by acclaimed playwright Alfred Uhry (Driving Miss Daisy) and a rousing, colorful and haunting score by Jason Robert Brown (Songs For a New World, The Last Five Years, Bridges of Madison County), Parade is a moving examination of the darkest corners of America's history.

In 1913, Leo Frank, a Brooklyn-raised Jew living in Georgia, is put on trial for the murder of thirteen-year-old Mary Phagan, a factory worker under his employ. Already guilty in the eyes of

everyone around him, a sensationalist publisher and a janitor's false testimony seal Leo's fate. His only defenders are a governor with a conscience and, eventually, his assimilated Southern wife who finds the strength and love to become his greatest champion.

Daring, innovative and bold, Parade is filled with soaring music and a heart-wrenching story, offering a moral lesson about the dangers of prejudice and ignorance that should not be forgotten. Groups looking for powerful, moving theatrical experiences will need to look no further than this unforgettable show.

Audience members are encouraged to stay after the performance for a discussion about the play and its topics.

## Betty Linver

September 6, 1924 – September 30, 2018

tempered Betty Jean by her older brother - and a love of chocolate. She was graduated from high school at age 16, and in 1942, at age 18, she met Joe Linver, a handsome young Naval Officer from Detroit. She stole his heart, and they were married the next year. They remained madly in love for the next 70 years, until Joe's death in 2013.

Betty was Joe's anchor, with wonderful business sense, the practical one whose advice fueled Joe's success at the Linver-Kripke Division of the Wabash Scrap Material Company here in Toledo. They raised their family of four children here, with Betty running a tight ship while Joe spent long hours at the office. With her gift of gab and engaging personality, she helped Joe win over client after client. For 40 years, she and Joe were active participants in the Toledo Jewish community as members of Congregation B'nai Israel, and as supporters of numerous Jewish causes.

Joe sold his business and, in 1986, Betty and Joe moved to Albuquerque to be with their older son Michael, and his wife and family. In her new life there, she widened her circle of friends, maintained her love and support of the arts, honed her skills as the consummate cook, and continued her life-long focus on physical health, fast-walk-

ing two miles every day until last year. She never slowed down her entire life, even as dementia took its toll the past few months. She never lost her intense love of family; she was so proud of all of them and their individual talents and successes. Her Jewish faith became even more important over time as well, becoming a Bat Mitzvah at age 75.

Betty leaves a unique legacy of kindness and toughness, wisdom and courage. She loved as deeply as she was loved by others. She was as beautiful within as she was the stunning redhead externally. Betty is survived by her sister, Shirley Gaines; her two sons, Michael Linver and Preston Linver, and their wives, Mina Jo and Debbi; her two daughters, Janet Anderson and Rochelle Davidson, and Janet's husband Sven; and her nine grandchildren and twelve great-grandchildren.

Betty was laid to rest next to her beloved Joe at Fairview Cemetery in Albuquerque on Wednesday, October 3. Donations in her memory can be made to Congregation B'nai Israel in Albuquerque or to Armada Hospice in Albuquerque. Please visit the online guestbook for Betty at [www.FrenchFunerals.com](http://www.FrenchFunerals.com).

Betty Linver, age 94, died peacefully in her sleep on Sunday, September 30, 2018, in Albuquerque, New Mexico.

Her infectious zest for life touched all fortunate enough to know and love her. Born in Kansas City, Missouri, she was a feisty precocious redhead with a strong will - called the terrible

In helping them rebuild their homes, I am hoping it gives them the opportunity to start to rebuild their lives . To do this with Toledo Hillel was truly a wonderful experience.” -Dillion Overmeyer**
