Gift Policy Statement Regarding Donations of Stock

Jewish Federation of Greater Toledo is happy to accept donations of stock as payment for pledges made to the Annual Campaign. Stock gifts need to be received by 12 p.m. (noon) on December 30, 2021 in order to sell before the market closes. *Please note the brokerage firm may charge a transaction fee up to an amount of \$100.00.*

It should be noted that our procedure is as follows for accepting stock:

Whenever a gift of stock is made, the donor receives a confirmation in writing that the gift was made on that date. Normally upon consultation with financial professionals, this is the date used when valuing the gift for IRS tax purposes.

After being notified that a gift of stock has been made, either from the donor or a stockbroker, the stock will then transfer into the Federation's account and Federation will sell the stock. The net proceeds of the sale of stock will be applied against any outstanding pledges for the individual. The donor will be notified, in writing, what the net proceeds were.

To expedite this process, it is extremely helpful if the donor, his/her stockbroker or financial advisor notifies Federation's Department of Finance verbally or through email when a gift of stock is made. By following this procedure, the timing between the gift being made and the sale of the stock is greatly reduced.

Please contact Tina Stieben, CFO, at tina@JewishToledo.org or 419-724-0371, or 419-346-5397 (cell) for further assistance.

IRA Charitable Rollover Checks

Jewish Federation of Greater Toledo is also happy to be able to accept IRA Charitable Rollover contributions to the Annual Campaign. Please contact Tina Stieben at 419-724-0371 or Arleen Levine 419-724-0355 if you are making provisions with your financial advisor to donate with an IRA Charitable Rollover check; this way we can ensure that the check is processed timely and that you receive the appropriate tax letter. For further information on the eligibility to contribute using your IRA Charitable Rollover, please consult your financial advisor.

Personal Credit Card & Check Payment Deadlines

Credit card payment information must be received at Jewish Federation of Greater Toledo by 12 Noon Friday, December 31, 2021 for 2021 tax purposes. As stated above, payments by check need only be postmarked December 31, 2021 for 2021 tax purposes, or you can make payments online at www.JewishToledo.org by midnight on December 31, 2021. Celebrating 25 Years of the Lion of Judah Endowment

Forever Lion Focus: Sandra “Sandy” Romanoff

A Salute to Sandy

By her granddaughter, Alexx Klein

Lion of Judah Endowment (LOJE) donors are Lions who have established a fund with the Toledo Jewish Community Foundation to forever perpetuate their Jewish Federation Annual Gift. Women who create a LOJE establish a charitable gift to care for the Jewish community through their lifetime and/or upon their death. Greater Toledo currently has 15 “Forever Lions” -- including Sandy Romanoff -- who are generously providing ongoing support for the local and global Jewish communities.

Sandy is a dedicated, generous, and caring individual who loves her family and the Jewish communities in which she lives - Toledo and Scottsdale. For the sake of transparency, I am her granddaughter, so I may be biased, but I know everyone would agree. The lucky ones to have her in their lives know how large of a role giving plays to her and her family.

For those who do not know, there was a past article written in the Toledo Jewish News about Nana entitled, “A Commitment to Giving” (2016). This title describes her perfectly. She created her LOJE in 2004 and looking back at that article reinforced her decision and motivation behind establishing the important endowment over 15 years ago. Ironically enough, the 2021 International Lion of Judah conference is being held in Scottsdale, Arizona, where she (and Joe) spend much of the year. Toledo can get cold, as we know.

Nana told me she could have set up an endowment anywhere, but “it was important to me to set it up with the Jewish Community Foundation because I wanted the money to stay in the local Jewish community.” As I touched on earlier, her family shares the same passion for giving and when my Nana had the special opportunity to present Cyndi Romanoff Rosenthal (my mom) with her own pin, it came as no surprise to me when she explained how special the moment was for her. “It was quite moving for me, as well as for Cyndi.”

“I created my LOJE gift not only for my community, but also to set an example of giving for my children, grandchildren and future generations.” Nana added, “My first husband, Noel Romanoff, a blessed memory, and my current husband, Joe Greenberg, and I have always tried to pass down the importance of giving back, and what better way than to lead by example?”

The Lion of Judah is seen as a Jewish national and cultural symbol. As such, I wanted to look at the different meanings behind the word “lion” to see if anything matched my Nana. Creativity has never been my strong suit, so I was attempting to think out of the box (you’re welcome, Nana). The Oxford Dictionary had five different definitions of the word: the Lion as an emblem, the zodiacal sign, a brave or strong person, an influential or celebrated person, and a member of a lion’s club. It was obvious that most of these definitions matched who my Nana is and for what she stands. Of those, what caught my eye was the zodiac sign.

According to most astrology sites I visited, Leo is known as the lion of the zodiac; a trailblazing natural leader. Or, also known as my Nana.

Now bear with me as I wander off course for a quick fun fact/ Sherlock Holmes moment. I’ve learned many things about my Nana through writing this article - my favorite being that our names may have come from the

same name. Here’s the train of thought: after extensive research, I found that Alexander is the Roman version of the Greek name Alexandros. The feminine version of Alexander is Alexandra, which is my birth name. Sandra has purportedly been used as a short form for Alexandra, as is Alexx. I am taking this to mean we were both cut from the same cloth, or name (Alexandros) in this case. After finding the origin of her name, next was exploring the meaning behind it. As the saying goes, context is key. Prime example being: Sandy was defined as a light, crumbly cookie, typically made with chopped pecans. Not exactly what I was going for. The most agreed upon answers are summed up as the protector of humankind, bringing love, strength, courage and majesty.

From my days as a journalism student, I know tributes are known to end with a quote, so let’s take the road less traveled (see what I did there?) and end with a little story and some words from her grandchildren.

When brainstorming how to wrap up this article, I asked myself, “What would Nana like?” and the word “family” came to mind. I have mentioned it many times thus far. So began the data collection from her 11 grandkids. I didn’t provide context to anybody; I merely asked for one word that came to mind when thinking of Nana. For those who know her grandkids, it’s fair to assume this conversation started out with some humor.

As I said, there are 11 of us, so I wish you luck in following along. I’m sure Nana would be happy to answer any and all questions you have. My brother AJ’s answer was “tic tacs” because Nana would ALWAYS carry them in her purse and we would eat them all of the time (orange was yummiest). Lane and Avery said Chardonnay because, well, we know why. Samantha’s initial response was peppermint patty, which immediately brought me back to rummaging through Nana’s pantry to find the minty goodness. However, AJ being the inquisitive boy he is, asked what this was for because if it was serious he wanted to give a thoughtful answer. Maddie informed the group that it was, in fact, more of a serious poll, so some grandkids changed their answers.

- Marissa - caring
- Sami - authentic
- Maddie - supportive
- Sam - gracious
- Avery - unconditional love
- Faith - thoughtful
- Lane - genuine
- Alexx - friend
- AJ - Nana knows best
- Jordan - witty
- Sadie - dependable

As you see above, our Nana (and the community’s Sandy) is beyond treasured by those who are fortunate to walk in her shadow. I know I speak for everyone when I say thank you, Nana/Sandy, for being so generous with this gift, for always feeding our sweet tooth - and most importantly, our hearts.

For more information on establishing a LOJE fund or including the Foundation in your estate plan, contact Arleen R. Levine at Arleen@jewishnewstoledo.org or 419-724-0355.

\$10 Million Sylvania YMCA/JCC Facility Expansion

The YMCA of Greater Toledo recently shared plans for a \$10 million expansion to the Sylvania YMCA/JCC facility. Building on its 20-year tradition of serving Sylvania, the YMCA/JCC expansion will more than double the size of its current facility and is designed to completely modernize its existing recreation spaces.

A large portion of the expansion is earmarked for an all-new indoor family aquatics center with water toys and an area dedicated to swim lessons and therapy. Fitness and wellness space will double in size and be furnished with new, state-of-the-art equipment. New multi-purpose space will be used for youth, adults, and seniors, as well as community needs.

The expanded facility will also include exclusive space for community partners, both public and nonprofit.

“We are extremely proud to build on the legacy of the Jewish community on this campus and this project will only strengthen the partnership

between our two organizations,” said Brad Toft, President and CEO of the YMCA of Greater Toledo. “The YMCA believes in the power of working with others. For this reason, we have proactively visited with several public, private, and nonprofit community organizations to join this one-of-a-kind effort, and we will continue to do so.”

Stephen Rothschild, Executive Director of Jewish Federation of Greater Toledo, which has its offices and the Sekach Building on the YMCA/JCC Campus, added, “We are excited by improvements brought to our campus that will benefit our community. The YMCA/JCC collaboration has been a huge win/win for over 20 years.”

Planning for this expansion began in 2016 and involved a facility feasibility study, community needs assessment, market research study, operations assessment, community forums, and a fundraising study with potential major donors.

“A major project like this does not happen overnight. This has been a culmination of a five-year strategic process involving many community stakeholders,”Toft added.

The expansion is being funded through charitable contributions, with 50% percent of the Sylvania capital dollars raised to date.

“The support from community partners and donors has been tremendous. It’s inspiring to us to see the understanding of our impact on the community and the Y’s potential to do even more,”Toft added.

Pending the ongoing achievement of fundraising milestones, construction on the expanded YMCA/JCC facility will begin in early 2022. The Y has selected The Collaborative as project architect and Rudolph Libbe as the general contractor, both of which are based in Greater Toledo.

The Sylvania YMCA/JCC expansion is part of a \$31.6 million comprehensive capital campaign across the YMCA’s entire association. To date, more than \$12.5 million has already been secured. Additional YMCA locations to receive major capital improvements include: Wayman D. Palmer Community YMCA, Wolf Creek YMCA, Eastern Community YMCA, and YMCA Storer Camps.

Monkey Business, The Adventures of Curious George's Creators
Film, 80 minutes

A documentary film exploring the extraordinary lives of Hans and Margret Rey, the authors of the beloved Curious George children's books. Featuring a narrow escape from the Nazis on makeshift bicycles, MONKEY BUSINESS explores the extraordinary lives of Hans and Margret Rey, the authors of the beloved Curious George children's books.

Curious George is the most popular monkey in the world. Since his introduction in the first publication in 1941, the beloved series has sold over 75 million books in more than 25 languages. The documentary MONKEY BUSINESS explores the lesser-known tale of George's creators, Hans and Margret Rey. Originally from Hamburg, Germany, the Reys first met when Hans was dating Margret's older sister. Years later, having heard that Hans was wasting his artistic talents as a bookkeeper in Rio, Margret traveled to Brazil to persuade him to marry her and do something creative together. After their four-week honeymoon to Paris turned into a four-year residency, they accidentally became children's book authors when a publisher suggested they create a book out of a cartoon Hans had drawn. Being German Jews, however, their life in Paris abruptly came to an end in June 1940 when the Reys were forced to escape from the Nazis by riding makeshift bicycles—a manuscript of the first Curious George book was one of the few possessions they could smuggle out with them. Arriving in New York as refugees, they started their life anew and over the next three decades they created a classic that continues to touch the hearts and minds of children around the world.

B'nai Mitzvah

We Honor Our B'nai Mitzvah

Cooper James Rapino Kruse will be called to the Torah on Saturday, October 2, 2021 at Temple Shomer Emunim. Cooper is the oldest son of Stacey Rapino and the older brother of Owen Kruse. He is the beloved grandson of Norman and Eloise Rapino of Sylvania, Ohio.

Cooper is an 8th grader at Toledo School for the Arts, where he completes college preparatory studies and explores his many artistic talents. Cooper has been in classes and productions with Children's Theater Workshop, not only as an actor, but as a playwright, and backstage as part of the technical/stage crew.

Cooper looks forward to participation in the productions this season, Clue and Macbeth. Among his other talents are drawing, a strong singing voice, learning to play multiple instruments, and an ear for sounds and mimicry. He does not play for any teams but loves many sports, particularly swimming and tennis. With his leisure time he enjoys drawing/art, reading, Lego, video games, animals, rollercoasters, making movies, science, history, city explorations, museums, and listening to music.

Cooper always has a smile and lends a hand when he sees a need. He is conscientious but loves to be comical to bring joy to others.

Cooper's Bar Mitzvah is given by his family with love. We are eager to see what the next chapter in his book of life will bring. Please share with us in the congratulations to this remarkable young man.

Sara Miriam Hamilton will be called to the Torah as a Bat Mitzvah on October 16, 2021. Sara is the daughter of Maara Fink and Chris Hamilton and the cherished granddaughter of Gene and Sharon Hamilton, Sondra Fink, and the late Howard Fink of blessed memory. The Miracle of Jewish Survival

1: CHOSEN FOR WHAT?

Let's say Jews disappeared. . . . Would anything be missing? What does "chosenness" mean? Why is there anti-Semitism?

2: FIGHT OR FLIGHT?

What is the Jewish attitude toward physical resistance to anti-Semitic threats? Why did Jews go to the gas chambers like sheep to the slaughter? Should Israel bomb Iran to stop them from producing a nuclear weapon?

3: THE UNBREAKABLE SPIRIT

Are there other forms of resistance besides "physical resistance"? What lessons about antisemitism can we learn from the Holocaust experience?

SUMMARY: This series will address anti-Semitism, assimilation, lessons from the Holocaust, the chosen people, and Jewish pride. Teens will embrace their Jewish identity in a modern world.

DESCRIPTION: From the ghettos and pogroms of the Middle Ages, to the concentration camps in Europe, to Islamic terror all across the world today, Jews have been beaten, attacked, and singled out for destruction. The hateful rhetoric on college campuses, in the media, and all over the Internet seems to get worse by the day. Even modern Israel lives under constant threat and has to fight for the right to exist. Why is it that ever since the dawn of the Jewish nation, there have been people who tried to destroy us? For what reason or purpose are the Jews still here? Would the world be any different if the Jews didn't exist?

4: TAKING A STAND

Why is Israel hated by the nations of the world? How can we become advocates for Israel?

5: SPIRITUAL KUNG FU

Why did Christians hate Jews throughout the ages? Are they our friends today? How should Jews respond to Christian missionizing on college campuses?

6: THE INCREDIBLES:
THE SECRET TO OUR SURVIVAL

What is the secret to Jewish immortality? How can I become a link on the Jewish chain stretching back to Avraham Avinu? What is my attitude toward my own Jewishness?
