

August 2018

Dear Friend,

The Jewish Federation of Southern Arizona's Real Estate and Allied Professions (REAP) is launching its 22nd season of exciting and enriching programming. Our events have and will continue to feature many outstanding speakers, member information exchanges and tours of projects of specific interest to those of us in real estate and allied professions. Members have enjoyed the benefits of targeted networking, the rewards of shared information, and the advantages of expanded contacts.

While the Jewish Federation organizes and oversees our REAP programming, your REAP membership dues go directly to covering the costs associated with each meeting. In addition to your REAP membership, we strongly encourage you to make a meaningful tax-deductible gift to the 2018 JFSA Annual Community Campaign. Every day our Federation supports programs that feed, clothe, shelter, counsel and rescue thousands of people here at home, in Israel and around the world. Additionally, many of the services provided by the Jewish Federation benefit the greater Tucson community in ensuring that our community will continue to grow and flourish, while supporting those who are less-fortunate. Your gift supports our efforts to improve the lives of those in need in Tucson and around the world as well as strengthening our Jewish community.

We are pleased to invite you to join us for another year of stimulating programming.

Membership in REAP offers the following benefits to our individual members at a cost of **\$300** for this program year. **We are offering a special membership price of \$200 per year for members less than 35 years of age.**
