

You're Invited to a Passover 'Potluck'

Bring your own festive food and beverage and we will join together virtually to spend some time with our community during Passover. Friends new and old, let's come together despite social distancing to connect, recharge, and celebrate Passover, a traditional time of Jewish renewal, at our community's Passover 'Potluck' meal – all via Zoom.

In the face of the COVID-19 Plague, let's all find a few moments to be joyful together.

MONDAY, APRIL 13 | 6:00 – 6:45 PM

RSVP now: www.jfsa.org/passover-potluck

We'll send you the Zoom login information once you've registered.
